Draft Research Report: Investigation of Ground Water Contamination Near Pavillion, WY

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of extension of public comment period.

SUMMARY: EPA is announcing an extension to the public comment period for the external review of the draft research report titled, "Investigation of Ground Water Contamination near Pavillion, Wyoming." The draft research report was prepared by the National Risk Management Research Laboratory, within the EPA Office of Research and Development (ORD), and EPA Region 8. This draft research report is not final as described in EPA's Information Quality Guidelines, and does not represent and should not be construed to represent Agency policy or views. Eastern Research Group, Inc., an EPA contractor for external peer review, will convene an independent panel of experts for peer review of this draft research report. Public comments submitted during the public comment period will be made available to the peer review panel for consideration in their review. An external peer review meeting will take place following the public comment period. An additional **Federal Register** notice will be published about one month prior to the meeting to provide the meeting date, location, and registration information. Additional details about the peer review process can be found at: http://cfpub.epa.gov/si/si_public_pra_view.cfm?dirEntryID=240345.

DATES: The public comment period began December 14, 2011 and ends October 16, 2012. Comments should be submitted to the docket or received in writing by EPA by October 16, 2012.

SUPPLEMENTARY INFORMATION:

I. Information About Pavillion Ground Water Investigation

Pavillion, Wyoming is located in Fremont County, about 20 miles northwest of Riverton. The concern at the site is potential ground water contamination, based on resident complaints about smells, tastes, and adverse changes in water quality of their domestic wells. In collaboration with ORD Region 8 has been conducting a ground water investigation. The purpose of this ground water investigation is to better understand the basic ground water hydrology and how the constituents of concern may be occurring in the aquifer. More information is available at <http://www.epa.gov/region8/superfund/wy/pavillion/>.
