<tr>
<th>Drug</th>
<th>Schedule</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gamma Hydroxybutyric Acid</td>
<td>I</td>
</tr>
<tr>

</tr>
</tbody>
</table>

With regard to Gamma Hydroxybutyric Acid (2010), Tetrahydrocannabinols (7370), and Methamphetamine (1105) only, the company manufactures these controlled substances in bulk solely for domestic distribution within the United States to customers engaged in dosage-form manufacturing.

With regard to Nabilone (7379) only, the company presently manufactures a small amount of this controlled substance in bulk solely to conduct manufacturing internal process development. It is the company’s intention once the manufacturing process is refined to the point that its Nabilone bulk product is available for commercial use, the company will export the controlled substance in bulk solely to customers engaged in dosage-form manufacturing outside the United States. The company is aware of the requirement to obtain a DEA registration as an exporter to conduct this activity.

No comments or objections have been received. DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of Norac, Inc. to manufacture the listed basic classes of controlled substances is consistent with the public interest at this time. DEA has investigated Norac, Inc. to ensure that the company’s registration is consistent with the public interest. The investigation has included inspection and testing of the company’s physical security systems, verification of the company’s compliance with state and local laws, and a review of the company’s background and history. Therefore, pursuant to 21 USC § 823(a), and in accordance with 21 CFR 1301.33, the above named company is granted registration as a bulk manufacturer of the basic classes of controlled substances listed.

Joseph T. Rannazzisi,
Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.

DEPARTMENT OF LABOR
Employment and Training Administration

Ford Motor Company Twin Cities Assembly Plant Vehicle Operations Division Including On-Site Leased Workers From AEROTEK, Albers Mechanical, Alliedbarton, Allied Systems Aristeo, Autoprot Collins Electric, Guardsmark, Great Western Recycling, Healthsource Solutions, Kelly Services, Marsden Building Maintenance, Penski Logistics Ppg Industries, Waste Management, VMX, Nascote Industries, Delphi Electronics & Safety, Unicomm, And Pacer International St. Paul, MN; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 26, 2012, applicable to workers of Aerotek, Inc., working on-site at Dow Jones Corporation, Dow Jones Content Services Princeton, New Jersey. The workers are engaged in activities related to the production of digital newsletters. The notice was published in the Federal Register on February 8, 2012 (77 FR 6590).

At the request of the New Jersey State agency, the Department reviewed the certification for workers of the subject firm. New information shows that workers of the Princeton, New Jersey location of Dow Jones & Company, Dow Jones Content Services, including on-site workers from Aerotek were engaged in activities supporting the production of digital newsletters, both experienced worker separations during the relevant time period due to the shift in the production of digital newsletters to Sofia, Bulgaria.

Accordingly, the Department is amending the certification to include workers of the Princeton, New Jersey location of Dow Jones & Company, Inc., Dow Jones Content Services.

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 9, 2012, applicable to workers of Ford Motor Company, Twin Cities Assembly Plant, Vehicle Operations Division, St. Paul, Minnesota. The workers are engaged in activities related to the production of pickup trucks. The notice was published in the Federal Register on February 28, 2012 (77 FR 12083).

At the request of the Minnesota State agency, the Department reviewed the certification for workers of the subject firm. New information from the
company shows that workers leased from Aerotek, Albers Mechanical, Alliedbarton, Allied Systems, Aristeo, Autoport, Collins Electric Guardsmark, Great Western Recycling, Healthsource Solution, Kelly Services, Marsden Building Maintenance, Penski Logistics, PPG Industries, Waste Management, VMX, Nascote Industries, Delphi Electronics & Safety, Unicomm, and Pacer International were employed on-site at the St. Paul, Minnesota location of Ford Motor Company, Twin Cities Assembly Plant, Vehicle Operations Division. The Department has determined that these workers were sufficiently under the control of Ford Motor Company, Twin Cities Assembly Plant, Vehicle Operations Division, St. Paul, Minnesota to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from the above mentioned firms working on-site at the St. Paul, Minnesota location of the subject firm.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in production of pickup trucks to Thailand, Brazil, and South Africa.

The amended notice applicable to TA–W–81,038 is hereby issued as follows:

All workers from Ford Motor Company, Twin Cities Assembly Plant, Vehicle Operations Division, St. Paul, Minnesota, including on-site leased workers from Aerotek, Albers Mechanical, Alliedbarton, Allied Systems, Aristeo, Autoport, Collins Electric, Guardsmark, Great Western Recycling Healthsource Solutions, Kelly Services Marsden Building Maintenance, Penski Logistics, PPG Industries, Waste Management, VMX, Nascote Industries, Delphi Electronics & Safety, Unicomm, and Pacer International, St. Paul, Minnesota, who became totally or partially separated from employment on or after February 13, 2010, and all workers who have become totally or partially separated, or are threatened to become totally or partially separated, from employment on or after October 2, 2010, through October 6, 2012, and all workers in the group threatened with total or partial separation from employment on or after the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under the name U.S. Security, Fort Smith, Arkansas.

The notice was published in the Federal Register on October 25, 2010 (75 FR 65520). The notice was amended on December 6, 2010, November 7, 2011 and November 18, 2011 to include several on-site leased worker firms. The notices were published in the Federal Register on December 13, 2010 (75 FR 77865), November 28, 2011 (76 FR 72978) and November 29, 2011 (76 FR 73683–73684), respectively.

At the request of a company official, the Department reviewed the certification for workers of the subject firm. New information shows that workers leased from Andrews International employed on-site at the Fort Smith, Arkansas location of Whirlpool Corporation had their wages reported through a separate unemployment insurance (UI) tax account under the name U.S. Security. Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in the production of refrigerators and trash compactors to Mexico.

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 6, 2010, applicable to workers of Whirlpool Corporation, including on-site leased workers from Career Solutions TEC Staffing, Fort Smith, Arkansas. The workers are engaged in the production of refrigerators and trash compactors.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in the production of refrigerators and trash compactors to Mexico.

In accordance with Section 223 of the Trade Act of 1974, as amended (19 U.S.C. 2273) the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers by (TA–W) number issued during the period of March 12, 2012 through March 16, 2012.

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(a) of the Act must be met.

I. Under Section 222(a)(2)(A), the following must be satisfied:

1. A significant number or proportion of the workers in such workers’ firm have become totally or partially separated, or are threatened to become totally or partially separated;

2. The sales or production, or both, of such firm have decreased absolutely; and

3. One of the following must be satisfied:

   (A) Imports of articles or services like or directly competitive with articles produced or services supplied by such firm have increased;

   (B) Imports of articles like or directly competitive with articles into which one or more component parts produced by such firm are directly incorporated, have increased;
