Pursuant to Title VII, Subtitle A, Section 7403 of Public Law 111–11, the Omnibus Public Land Management Act of 2009, March 30, 2009, the Board was extended one year and terminated on December 31, 2009. SUPPLEMENTARY INFORMATION:

I. Abstract

Substitute C of Title VI of the Omnibus Public Land Management Act of 2009 (Act) (Pub. L. 111–11) authorizes the Secretary of the Interior and the Secretary of Agriculture to develop a Wolf Livestock Demonstration Project Grant Program (WLDPGP) to:

• Assist livestock producers in undertaking proactive, nonlethal activities to reduce the risk of livestock loss due to predation by wolves; and
• Compensate livestock producers for livestock losses due to such predation.

The Act directs that the program be established as a grant program to provide funding to States and tribes, that the Federal cost-share not exceed 50 percent, and that funds be expended equally between the two purposes. The Act included an authorization of appropriations up to $1 million each fiscal year for 5 years. For FY 2012, the U.S. Fish and Wildlife Service Endangered Species Program will allocate the funding as competitively awarded grants to States and tribes with a prior history of wolf predation. States with delisted wolf populations are eligible for funding, provided that they meet the eligibility criteria contained in Public Law 111–11.

The following additional criteria apply to all WLDPGP grants and must be satisfied for a project to receive WLDPGP funding:

• A proposal cannot include U.S. Fish and Wildlife Service full-time equivalent (FTE) costs.
• A proposal cannot seek funding for projects that serve to satisfy regulatory requirements of the Endangered Species Act (ESA) including complying with a biological opinion under section 7 or fulfilling commitments of a Habitat Conservation Plan (HCP) under section 10, or for projects that serve to satisfy other Federal regulatory requirements (e.g., mitigation for Federal permits).
• State administrative costs must be assumed by the State or included in the proposal in accordance with Federal requirements.

We will publish notices of funding availability on the Grants.gov Web site at http://www.grants.gov as well as in the Catalog of Federal Domestic Assistance at http://cfda.gov. To compete for grant funds, eligible States and tribes must submit an application that describes in substantial detail project locations, project resources, future benefits, and other characteristics that meet the Wolf Livestock Demonstration Project purposes as listed above. In accordance with the Act, States and tribes that receive a grant must:

• Maintain files of all claims received under programs funded by the grant, including supporting documentation; and
• Submit an annual report that includes a summary of claims and expenditures under the program during the year and a description of any action taken on the claims.

Materials that describe the program and assist applicants in formulating project proposals will be available on our Web site at www.fws.gov/grants Persons who do not have access to the Internet may obtain instructional materials by mail.
