

The timing for completion of an exchange is the bidder's responsibility. The BLM cannot be a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3–1(f), the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations.

Upon publication of this notice and until completion of the sale, the BLM is no longer accepting land use applications affecting the parcel identified for sale. However, land use applications may be considered after the date of the auction offering if the parcel is not sold. Encumbrances of record that may appear in the BLM public files for the parcel proposed for sale are available for review during business hours, 7:30 a.m. to 4:30 p.m., Pacific Time, Monday through Friday, at the BLM Las Vegas Field Office, except during federally recognized holidays.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government. It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Information concerning the sale, appraisals, reservations, procedures and

conditions, CERCLA, and other environmental documents are available for review at the BLM Las Vegas Field Office at the address in the **ADDRESSES** section.

Any adverse comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior.
