OCCUPATIONAL SAFETY AND HEALTH REVIEW COMMISSION

Proposed Information Collection; Comment Request

AGENCY: Occupational Safety and Health Review Commission.

ACTION: Notice.

SUMMARY: The Occupational Safety and Health Review Commission (OSHRC) invites the public and other Federal agencies to comment on a proposed information collection concerning participation in conventional proceedings as part of our review of the OSHRC Settlement Part program.

OSHRC will submit the proposed information collection request to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501 et seq.).

DATES: Written comments must be submitted on or before June 4, 2012.

ADDRESSES: Submit all written comments, identified by the title “Paperwork Reduction Act Information Collection—Conventional Proceedings”, by mail or hand delivery to John X. Cerveny, Deputy Executive Secretary, Occupational Safety and Health Review Commission, 1120 20th Street NW., Ninth Floor, Washington, DC 20036–3457; Telephone (202) 606–5706; email address: pracomments@oshrc.gov.

FOR FURTHER INFORMATION CONTACT: Requests for information or copies of the proposed information collection instrument should be directed to John X. Cerveny, Deputy Executive Secretary, Occupational Safety and Health Review Commission, 1120 20th Street NW., Ninth Floor, Washington, DC 20036–3457; Telephone (202) 606–5706; email address: pracomments@oshrc.gov.

SUPPLEMENTARY INFORMATION: OSHRC’s Settlement Part program, codified at 29 CFR 2200.120, is designed to encourage settlements on contested citations issued by the U.S. Department of Labor’s Occupational Safety and Health Administration (OSHA) and to reduce litigation costs. The program requires employers who receive job safety or health citations that include proposed penalties of $100,000 or more in total to participate in formal settlement talks presided over by an OSHRC Administrative Law Judge. If settlement efforts fail, the case would continue under OSHRC’s conventional proceedings, usually before a judge other than the one who presided over the settlement proceedings.

OSHRC has submitted for OMB review a proposed information collection from participants in the Settlement Part program. A copy of that information collection request (ICR) with applicable supporting documentation may be obtained from the RegInfo.gov Web site, http://www.reginfo.gov/public/do/PRAMain, or by contacting John X. Cerveny, Deputy Executive Secretary, Occupational Safety and Health Review Commission, 1120 20th Street NW., Ninth Floor, Washington, DC 20036–3457; Telephone (202) 606–5706; email address: pracomments@oshrc.gov.

OSHRC proposes to conduct a second voluntary survey of employer, Department of Labor (OSHA) personnel (decision makers), Authorized Employee Representatives, and their representatives, including attorneys, who personally participated in OSHRC cases between February 15, 2011 and June 30, 2012, where a total proposed penalty between $50,000 and $99,999 was involved and where OSHRC Settlement Part Process procedures were not used. The cases would include those settled by the parties without an OSHRC judge conducting a face-to-face settlement proceeding, as well as any cases within the above dollar range that went to a trial on the merits. These cases would be considered part of a control group. Participant responses will be used for comparative purposes and to facilitate our understanding of the efficacy of the Settlement Part program. The proposed information collection instrument is a written survey consisting of a series of questions to determine participants’ level of satisfaction with OSHRC processes and outcomes. They are intended to take a respondent no more than 30 minutes to complete. The respondents may skip any questions that they do not feel comfortable answering, and are permitted to comment further on their experiences at the end of the questionnaire.

OSHRC will submit the proposed information collection to the Office of Management and Budget for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.). OSHRC invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of the agency’s functions, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques, when appropriate, and other forms of information technology. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection; they also will become a matter of public record.

OMB Control Number: Not applicable, new request.

Type of Review: Regular submission (new information collection).

Title: Survey of Participants in OSHRC Conventional Proceedings where between $50,000 and $99,999 is at issue.

Applicant’s Representations

1. Applicant is a Delaware limited liability company formed for the purpose of holding equity interests (“Rollover Equity Interests”) in BRE/SW Portfolio LLC (“Blackstone LLC”).

A Delaware limited liability company, to resolve the bankruptcy of Sunwest (as defined below). Applicant is managed by a three-person board of managers (“Board of Managers”) elected by the members of Applicant. Although Applicant is authorized to exist until December 31, 2020, Applicant expects that Blackstone LLC will have a limited life of up to five years from its acquisition of the Sunwest Assets (as defined below) and similarly also expects to liquidate and dissolve by August 5, 2015.

2. Blackstone LLC was formed to acquire substantially all of the core assets (consisting of more than 140 senior living facilities throughout the United States) (collectively, the “Sunwest Assets”) of “Sunwest,” a group of related entities formerly involved in the acquisition, development, design, construction, financing, insuring and operation of senior living and other properties nationwide, along with miscellaneous other related assets and operations.

3. Prior to 2008, Sunwest operated 290 facilities and was one of the largest assisted living providers in the United States. Sunwest financed the acquisition and development of its senior living and other properties through various means, including the sale to investors of tenant-in-common interests (“TIC Investors”) and limited liability company interests (“LLC Investors”) in properties owned by Sunwest.

4. On December 1, 2008, Stayton SW Assisted Living, L.L.C., one of the Sunwest entities (“Debtor”), initiated its bankruptcy case (“Bankruptcy Case”) with the filing of a voluntary petition under Chapter 11 of Title 11 of the United States Code.

Applicant states that the Rollover Equity Interests consist of common interests and class A preferred units, each as defined in the limited liability company agreement governing Blackstone LLC (“Blackstone LLC Agreement”).

Applicant’s limited liability company agreement requires that two of the three members of the Board of Managers are not “interested persons” as defined in the Act.

5. On January 15, 2010, the Debtor filed a complaint in the U.S. District Court for the District of Oregon (“District Court”) alleging that Sunwest Management Inc. committed violations of the federal securities laws in the offering of interests in Sunwest. On March 10, 2009, the District Court entered an order in the SEC Enforcement Action granting an injunction and appointing a receiver over the Sunwest entities. On December 22, 2009, the District Court entered an order providing that all assets and liabilities of Sunwest were consolidated into the Bankruptcy Case, that equitable title to real estate held by Sunwest was consolidated into Debtor’s bankruptcy estate, and that Debtor had the right to convey title to, or interests in, real property pursuant to a confirmed plan of reorganization or other order of the District Court.

6. Applicants state that due to the complex and unusual capital structure of Sunwest, outright sale of the Sunwest Assets to Blackstone LLC likely would have resulted in adverse income tax consequences to numerous Sunwest Investors. Applicant states that, to address tax consequences and certain valuation concerns of Sunwest Investors, the PSA and the Debtor’s plan of reorganization provided that the consideration paid by Blackstone LLC in acquiring the Sunwest Assets would, at the election of Sunwest Investors, take the form of a combination of cash and/or issuance of Rollover Equity Interests. Sunwest Investors who elected to receive interests in the Applicant contributed their interests in the Sunwest Assets and the bankruptcy estate to Applicant in exchange for, at their election: Applicant’s common units or preferred units.

Applicant states that no Sunwest Investor was required to receive interests in Applicant; only...
7 Applicant also issued a third class of securities to certain founders of Sunwest (“Sunwest Founders”) that consists of contingent non-voting profits interests (“Profits Interests”). The Profits Interests entitle Sunwest Founders to receive a portion of Applicant’s earnings if total distributions and payments to Sunwest’s general unsecured creditors and Sunwest Investors (not including Sunwest Founders) aggregate in excess of $500 million. Applicant states that it is unlikely that the Profits Interests will ever have value.

8 Applicant does not anticipate that there will be significant distributions to Applicant in the initial years of operation of Blackstone LLC, but that Applicant will have significant administrative, compliance and similar expenses. Therefore, Blackstone LLC has agreed to reimburse Applicant $400,000 each year, and the Debtor has agreed to loan Applicant up to a total of $2 million to permit Applicant to pay its expenses.

9 Applicant will continue to be subject to the jurisdiction of the District Court.

10 Applicant does not anticipate that there will be significant distributions to Applicant in the initial years of operation of Blackstone LLC, but that Applicant will have significant administrative, compliance and similar expenses. Therefore, Blackstone LLC has agreed to reimburse Applicant $400,000 each year, and the Debtor has agreed to loan Applicant up to a total of $2 million to permit Applicant to pay its expenses.

11 Applicant states that, if it were to sell any additional securities, the securities would be sold to Applicant’s members and not to third parties. Applicant states that an offering likely would be made only to accredited investors under Rule 506 of Regulation D under the Securities Act of 1933 and all members of Applicant received notice of such a possibility before electing to invest in Applicant.

Applicant’s governing documents will not be amended to permit Applicant’s securities to be freely tradable.

5. Applicant will provide to its members: (a) Quarterly unaudited financial statements prepared in accordance with generally accepted accounting principles and (b) annual audited financial statements prepared in accordance with generally accepted accounting principles.

Applicant will be exempt until the earlier of August 5, 2015 or such time as Applicant no longer meets the definition of an investment company under the Act.

6. Applicant will not hold itself out as an investment company.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O’Neill
Deputy Secretary.
