Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Application:* N.E.W. Hydro LLC seeks approval to construct an angled fish guidance rack with bypass to guide downstream migrating fish around the powerhouse and dam at the Park Mill development, described as Phase 1 of the four phases of the Menominee/Park Mill Fish Passage and Protection Plan (Plan). N.E.W. Hydro LLC is also requesting approval to construct a fish lift with sorting/holding facilities to provide upstream passage at the Menominee development, described as Phase 2 of the Plan. The lake sturgeon is the primary target species for upstream and downstream passage around both dams. All construction activities associated with Phases 1 and 2 will take place within the project boundary and will not require additional lands. Phases 3 and 4 of the plan are not proposed at this time but will instead be the subject of future amendment applications.
