

Applicants will have only one submission method for proposals and applications to AMS—electronically through Grants.gov at <http://www.Grants.gov> (enter 10.168 in grant search field). AMS strongly encourages the applicant to initiate the electronic submission process at least four weeks prior to the application deadline. In cases where an applicant error has been made in Grants.gov, an early submission will ensure the appropriate time for the applicant to resubmit the application. Grants.gov applicants are not required to submit any paper documents to FMPP.

Any documents accompanying the application (acceptable written proof of eligibility, proposal narrative, budget(s), and other supporting documents) must be uploaded after item #15 (descriptive title of applicant's project section) on the Grants.gov form SF-424. FMPP prefers that all accompanying documents and support materials be scanned as a single PDF file; however, other acceptable formats include MS-Word (for text documents) and MS-Excel (for spreadsheet documents). Failure to comply with this requirement will result in rejection of the application.

FMPP will not accept corrections or additions to Grants.gov submissions, including corrections submitted by phone, fax, mail, hand-delivery, or electronic mail to AMS. All documentation accompanying each application must be submitted in the Grants.gov application package. The only means of making a correction or addition to a Grants.gov application is by re-submitting a new application prior to the deadline.

AMS/FMPP staff will not extend the application deadline or accept any application after the deadline due to Grants.gov submission errors. Additionally, AMS/FMPP staff does not provide technical assistance with the Grants.gov related issues. Applicants experiencing problems in electronic submission of documentation must request assistance via the Grants.gov Web site, or telephone the Contact Center at 1-800-518-4726. Grants.gov will provide confirmation to the applicant that the application was submitted and received by AMS before the deadline. AMS will email the organization's authorized representative (as listed on the SF-424) an explanation if the application is being rejected.

FMPP is listed in the "Catalog of Federal Domestic Assistance" under number 10.168. Subject agencies, including FMPP, must adhere to Title VI of the Civil Rights Act of 1964, which

bars discrimination in all federally assisted programs.

The deadline dates for National competitions need to reflect the correct year. The dates in the original NOFA contained the year "2011" rather than "2012". To clarify, all unfunded eligible grant only and grant and guaranteed loan combination applications received by March 30, 2012, will be competed against other grant only and grant and guaranteed loan combination applications from other States at a final National competition. In addition, all unfunded eligible guaranteed loan only applications received by June 29, 2012, will be competed against other guaranteed loan only applications from other States at a final National competition if the guaranteed loan reserves have not been completely depleted.

Correction of Publication

In the **Federal Register** dated January 20, 2012, the following are corrected:

1. On page 2951, column 1, the eighteenth line down under C. State and National competitions, "March 30, 2011" is corrected to read "March 30, 2012".

2. On page 2951, column 2, tenth line down, "June 29, 2011" is corrected to read "June 29, 2012".

Dated: March 21, 2012.

Foreign-Trade Zones Board

[Docket T-4-2012]

Foreign-Trade Zone 161—Sedgwick County, KS; Application for Temporary/Interim Manufacturing Authority; Siemens Energy, Inc.; (Wind Turbine Nacelles and Hubs); Hutchinson, KS

An application has been submitted to the Executive Secretary of the Foreign-Trade Zones Board (the Board) by the Board of County Commissioners of Sedgwick County, grantee of FTZ 161, requesting temporary/interim manufacturing (T/IM) authority within FTZ 161 at the Siemens Energy, Inc. (Siemens), facilities located in Hutchinson, Kansas. The application was filed on April 2, 2012.

The Siemens facilities (approximately 300 employees, up to 800 nacelles and hubs/year) are located at 1000 Commerce Street (Site 3) and 714 North Corey Road (Site 4) in Hutchinson (Reno County), Kansas. Under T/IM procedures, Siemens has requested authority to produce wind turbine nacelles and hubs (HTSUS 8412.80, 8412.90, 8502.31; duty rates: free, 2.5%). Foreign components that would be used in production (representing up to 50% of the value of the finished nacelles and hubs) include: greases/oils (HTSUS 2710.19), resins (3214.10), plastic/rubber washers and seals (3926.90), weather strips (4008.11), hydraulic hoses (4009.21, 4009.42), rubber gaskets and o-rings (4016.93), vibration dampeners (4016.99), screws/bolts (7318.15), bolt extenders (7318.19), springs (7320.20), clamps and brackets

(7326.90), support adapters (7412.20), base metal mountings/fittings/brackets (8302.49), filters (8421.23), grease systems (8479.89), valves (8481.80), bearings (8482.10), gears (8483.40), ring modules (8483.90), nozzles (8487.90), motors (8501.20), generators (8501.64), plates/guides/cables (8503.00, 8544.49), slip rings (8535.90), cable glands (8536.90), electrical panels/boards (8537.10), lamps (8539.49), and sensors (9031.80) (duty rate range: free—9.0%, 1.3¢/kg + 5.7%). T/IM authority could be granted for a period of up to two years.

FTZ procedures could exempt Siemens from customs duty payments on the foreign components used in export production. On its domestic sales, Siemens would be able to choose the duty rates during customs entry procedures that apply to wind turbine nacelles and hubs (duty rate: free, 2.5%) for the foreign inputs noted above.

In accordance with the Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations pursuant to Board Orders 1347 and 1480.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the following address: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 2111, 1401 Constitution Ave. NW., Washington, DC 20230.
