Report title: 2013 Survey of Consumer Finances (SCF).

Agency form number: FR 3059.

OMB control number: 7100–0287.

Frequency: One-time survey.

Reporters: U.S. families.

Estimated annual reporting hours:

Number of respondents: Pretest, 150;

General description of report: This information collection is voluntary (12 U.S.C. 225a and 263). The names and other characteristics that would directly identify respondents would be retained by the Federal Reserve’s contractor and are exempt from disclosure pursuant to the Confidential Information Protection and Statistical Efficiency Act and

section (b)(3) of the FOIA (5 U.S.C. 552 (b)(3)).

Abstract: This would be the eleventh triennial SCF since 1983, the beginning of the current series. This survey is the only source of representative information on the structure of U.S. families’ finances. The survey would collect data on the assets, debts, income, work history, pension rights, use of financial services, and attitudes of a sample of U.S. families. Because the ownership of some assets is relatively concentrated in a small number of families, the survey would make a special effort to ensure proper representation of such assets by systematically oversampling wealthier families.
