(26) Real estate title abstracting.
(27) Providing management consulting services, including to any person with respect to nonfinancial matters, so long as the management consulting services are advisory.
(28) Operating a travel agency in connection with financial services.
(29) Organizing, sponsoring, and managing a mutual fund.
(30) Directly, or indirectly acquiring or controlling, whether as principal, on behalf of 1 or more entities, or otherwise, shares, assets, or ownership interests (including debt or equity securities, partnership interests, trust certificates, or other instruments representing ownership) of a company or other entity, whether or not constituting control of such company or entity, if:
   (i) Such shares, assets, or ownership interests are acquired and held as part of a bona fide underwriting or merchant or investment banking activity, including investment activities engaged in for the purpose of appreciation and ultimate resale or disposition of the investment;
   (ii) Such shares, assets, or ownership interests are held for a period of time to enable the sale or disposition thereof on a reasonable basis consistent with the financial viability of the activities described in paragraph (30)(i) of this appendix; and
   (iii) During the period such shares, assets, or ownership interests are held, the company does not routinely manage or operate such company or entity except as may be necessary or required to obtain a reasonable return on investment upon resale or disposition.
(31) Directly or indirectly acquiring or controlling, whether as principal, on behalf of 1 or more entities, or otherwise, shares, assets, or ownership interests (including debt or equity securities, partnership interests, trust certificates or other instruments representing ownership) of a company or other entity, whether or not constituting control of such company or entity, if—
   (i) Such shares, assets, or ownership interests are acquired and held by an insurance company that is predominantly engaged in underwriting life, accident and health, or property and casualty insurance (other than credit-related insurance) or providing and issuing annuities;
   (ii) Such shares, assets, or ownership interests represent an investment made in the ordinary course of business of such insurance company in accordance with relevant State law governing such investments; and
   (iii) During the period such shares, assets, or ownership interests are held, the company does not routinely manage or operate such company except as may be necessary or required to obtain a reasonable return on investment.
(32) Lending, exchanging, transferring, investing for others, or safeguarding financial assets other than money or securities.
(33) Providing any device or other instrumentality for transferring money or other financial assets.
(34) Arranging, effecting, or facilitating financial transactions for the account of third parties.

By order of the Board of Governors of the Federal Reserve System, April 2, 2012.
Robert deV. Frierson,
Deputy Secretary of the Board.

BILLING CODE 6210–01–P

DEPARTMENT OF TRANSPORTATION
Federal Aviation Administration
14 CFR Part 71

Proposed Amendment of Class D and E Airspace; Blountville, TN, and Revocation of Class E Airspace; Tri-City, TN

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class D and Class E surface airspace at Blountville, TN, and remove Class E airspace at Tri-City, TN, as new Standard Instrument Approach Procedures have been developed at Tri-Cities Regional Airport. This action would enhance the safety and airspace management of Instrument Flight Rules (IFR) operations for SIAPs at the airport. This action would also update the geographic coordinates, airport name, and airspace designation.

DATES: Comments must be received on or before May 25, 2012. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

ADDRESSES: Send comments on this rule to: U. S. Department of Transportation, Docket Operations, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001; Telephone: 1–800–647–5527; Fax: 202–493–2251. You must identify the Docket Number FAA–2011–0621; Airspace Docket No. 11– ASO–28, at the beginning of your comments. You may also submit and review received comments through the Internet at http://www.regulations.gov. For further information contact: John Forrito, Operations Support Group, Eastern Service Center, Federal Aviation Administration, P.O. Box 20636, Atlanta, Georgia 30320; telephone (404) 305–6364.

SUPPLEMENTARY INFORMATION:

Comments Invited

Interested persons are invited to comment on this rule by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal.

Communications should identify both docket numbers (FAA Docket No. FAA–2011–0621; Airspace Docket No. 11–ASO–28) and be submitted in triplicate to the Docket Management System (see ADDRESSES section for address and phone number). You may also submit comments through the Internet at http://www.regulations.gov.

Persons wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed stamped postcard on which the following statement is made: “Comments to Docket No. FAA–2011–0621; Airspace Docket No. 11–ASO–28.” The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded from and comments submitted through http://www.regulations.gov. Recently published rulemaking documents can also be accessed through the FAA’s Web page at http://www.faa.gov/airports/airtraffic/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the ADDRESSES section for address and phone number) between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays. An informal docket may also be examined during normal business hours at the office of the Eastern Service Center, Federal Aviation Administration, room 210, 1701 Columbia Avenue, College Park, Georgia 30337.
Persons interested in being placed on a mailing list for future NPRMs should contact the FAA’s Office of Rulemaking, (202) 267–9677, to request a copy of Advisory circular No. 11–2A, Notice of Proposed Rulemaking distribution System, which describes the application procedure.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to amend Class D airspace, Class E surface airspace, and Class E airspace extending upward from 700 feet above the surface to support new standard instrument approach procedures developed at Tri-Cities Regional Airport, Blountville, TN. The Tri-City, TN, Class E airspace designated as an extension would be removed. Airspace reconfiguration is necessary for the continued safety and management of IFR operations at the airport. The airport formerly called Tri-City Regional Airport would be changed to Tri-Cities Regional Airport, TN/VA; the airport designation would be changed from Tri-City, TN, to Blountville, TN, and the geographic coordinates would be adjusted to coincide with the FAA’s aeronautical database.

Class D and E airspace designations are published in Paragraph 5000, 6002, 6004, and 6005, respectively of FAA order 7400.9V, dated August 15, 2011, and effective September 15, 2011, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034: February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This proposed rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This proposed regulation is within the scope of that authority as it would amend Class D and E airspace and remove Class E airspace at Tri-City Regional Airport, Blountville, TN.

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9V, Airspace Designations and Reporting Points, dated August 15, 2011, and effective September 15, 2011, is amended as follows:

Paragraph 5000 Class D airspace.

ASO TN D Blountville, TN [Amended]

Tri-Cities Regional Airport, TN/VA

(Lat. 36°28′31″ N., long. 82°24′27″ W.)

That airspace extending upward from the surface to and including 4,000 feet MSL within a 6.8-mile radius of Tri-Cities Regional Airport.

This Class D airspace area is effective during the specific days and times established in advance by a Notice to Airmen. The effective days and times will thereafter be continuously published in the Airport/Facility Directory.
