Persons interested in being placed on a mailing list for future NPRMs should contact the FAA’s Office of Rulemaking, (202) 267–9677, to request a copy of Advisory circular No. 11–2A, Notice of Proposed Rulemaking distribution System, which describes the application procedure.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to amend Class D airspace, Class E surface airspace, and Class E airspace extending upward from 700 feet above the surface to support new standard instrument approach procedures developed at Tri-Cities Regional Airport, Blountville, TN. The Trip-City, TN, Class E airspace designated as an extension would be removed. Airspace reconfiguration is necessary for the continued safety and management of IFR operations at the airport. The airport formerly called Tri-City Regional Airport would be changed to Tri-Cities Regional Airport, TN/VA; the airport designation would be changed from Tri-City, TN, to Blountville, TN, and the geographic coordinates would be adjusted to coincide with the FAA’s aeronautical database.

Class D and E airspace designations are published in Paragraph 5000, 6002, 6004, and 6005, respectively of FAA order 7400.9, dated August 9, 2011, and effective September 15, 2011, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034: February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This proposed rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This proposed regulation is within the scope of that authority as it would amend Class D and E airspace and remove Class E airspace at Tri-City Regional Airport, Blountville, TN.

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9V, Airspace Designations and Reporting Points, dated August 15, 2011, and effective September 15, 2011, is amended as follows:

Paragraph 5000 Class D airspace.

ASO TN D Blountville, TN [Amended]

Tri-Cities Regional Airport, TN/VA

(Lat. 36°28’31″ N., long. 82°24’27″ W.)

That airspace extending upward from the surface to and including 4,000 feet MSL within a 6.8-mile radius of Tri-Cities Regional Airport. This Class D airspace area is effective during the specific days and times established in advance by a Notice to Airmen. The effective days and times will thereafter be continuously published in the Airport/Facility Directory.

ASO TN E2 Blountville, TN [Amended]

Tri-City Regional Airport, TN/VA

(Lat. 36°28’31″ N., long. 82°24’27″ W.)

That airspace extending upward from the surface to and including 4,000 feet MSL within a 6.8-mile radius of Tri-Cities Regional Airport. This Class E airspace area is effective during the specific days and times established in advance by a Notice to Airmen. The effective days and times will thereafter be continuously published in the Airport/Facility Directory.

ASO TN E4 Tri-City, TN [Removed]

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

ASO TN E5 Blountville, TN [Amended]

Tri-Cities Regional Airport, TN/VA

(Lat. 36°28’31″ N., long. 82°24’27″ W.)

Abingdon, Virginia Highlands Airport, VA

(Lat. 36°41’14″ N., long. 82°02’06″ W.)

Rogersville, Hawkins County Airport, TN

(Lat. 36°27’27″ N., long. 82°53’06″ W.)

That airspace extending upward from 700 feet above the surface within a 9.3-mile radius of Tri-Cities Regional Airport and within 4 miles west and 8 miles east of the 223° bearing from the airport extending from the 9.3-mile radius to 23 miles southwest of the airport, and within 2 miles either side of the 43° bearing from the airport extending from the 9.3-mile radius to 14.5 miles northeast of the airport, and within a 17-mile radius of Virginia Highlands Airport and a 7-mile radius of Hawkins County Airport, and within 7 miles each side of Runway 07/25 centerline, extending from the 7-mile radius to 12 miles east of Hawkins County Airport.

Issued in College Park, Georgia, on March 30, 2012.

Barry A. Knight, Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

[Docket No. FAA–2011–1334; Airspace Docket No. 11–ASO–43]

Proposed Amendment of Class E Airspace; Augusta, GA

AGENCY: Federal Aviation Administration (FAA), DOT.
ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class E Airspace in Augusta, GA. The Bushe Non-Directional Beacon (NDB) and the Burke County NDB have been decommissioned and new Standard Instrument Approach Procedures have been developed at Augusta Regional Airport at Bush Field, and Burke County Airport, Waynesboro, GA, respectively. Airspace reconfiguration is necessary for the continued safety and management of instrument flight rules (IFR) operations within the Augusta, GA, airspace area. This action also would update the geographic coordinates of Burke County Airport.

DATES: 0901 UTC. Comments must be received on or before May 25, 2012.

FOR FURTHER INFORMATION CONTACT: John Fornto, Operations Support Group, Eastern Service Center, Federal Aviation Administration, P.O. Box 20636, Atlanta, Georgia 30320; telephone (404) 305–6364.

SUPPLEMENTARY INFORMATION:

Comments Invited

Interested persons are invited to comment on this rule by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal.

Communications should identify both docket numbers (FAA Docket No. FAA–2011–1334; Airspace Docket No. 11–ASO–43) and be submitted in triplicate to the Docket Management System (see ADDRESSES section for address and phone number). You may also submit comments through the Internet at http://www.regulations.gov.

Persons wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed stamped postcard on which the following statement is made: “Comments to Docket No. FAA–2011–1334; Airspace Docket No. 11–ASO–43.” The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded from and comments submitted through http://www.regulations.gov. Recently published rulemaking documents can also be accessed through the FAA’s Web page at http://airspace/airspace Amendments/. You may review the public docket containing the proposal, any comments received and any final disposition in person in the Dockets Office (see the ADDRESSES section for address and phone number) between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays. An informal docket may also be examined during normal business hours at the office of the Eastern Service Center, Federal Aviation Administration, room 500, 1701 Columbia Avenue, College Park, Georgia 30337.

Persons interested in being placed on a mailing list for future NPRMs should contact the FAA’s Office of Rulemaking, (202) 267–9677, to request a copy of Advisory circular No. 11–2A, Notice of Proposed Rulemaking Distribution System, which describes the application procedure.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to amend Class E airspace extending upward from 700 feet above the surface in the Augusta, GA, area. Airspace reconfiguration is necessary due to the decommissioning of the Bushe NDB at Augusta Regional at Bush Field Airport, and the Burke County NDB at Burke County Airport, Waynesboro, GA, thereby cancelling the NDB approaches. This action would ensure the continued safety and management of IFR operations within the Augusta, GA, airspace area. The geographic coordinates for Burke County Airport also would be adjusted to coincide with the FAAs aeronautical database.

Class E airspace designations are published in Paragraph 6005 of FAA order 7400.9V, dated August 9, 2011, and effective September 15, 2011, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code, Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This proposed rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This proposed regulation is within the scope of that authority as it would amend Class E airspace in the Augusta, GA area.

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E. “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR Part 71 as follows:
PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for Part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9V, Airspace Designations and Reporting Points, dated August 9, 2011, effective September 15, 2011, is amended as follows:

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

* * * * *

ASO GA E3 Augusta, GA

Augusta Regional At Bush Field Airport, GA (Lat. 33°22′12″ N., long. 81°57′52″ W.)

Emory NDB (Lat. 33°27′46″ N., long. 81°59′49″ W.)

Daniel Field (Lat. 33°27′59″ N., long. 82°02′22″ W.)

Burke County Airport, GA (Lat. 32°02′29″ N., long. 82°00′10″ W.)

Millen Airport (Lat. 32°53′37″ N., long. 81°57′55″ W.)

Millen NDB (Lat. 32°53′41″ N., long. 81°58′01″ W.)

That airspace extending upward from 700 feet above the surface within an 8.6-mile radius of Augusta Regional at Bush Field Airport, and within 3.2 miles either side of the 168° bearing from the airport extending from the 8.6-mile radius to 12.5 miles south of the airport, and within a 7-mile radius of Daniel Field Airport, and within 8 miles west and 4 miles east of the 349° bearing from the Emory NDB extending from the 7-mile radius to 16 miles north of the Emory NDB, and within a 6.6-mile radius of Burke County Airport, and within a 7.3-mile radius of the Millen Airport and within 4 miles east and 8 miles west of the 357° bearing from the Millen NDB extending from the 7.3-mile radius to 16 miles north of the airport.

Issued in College Park, Georgia, on March 30, 2012.

Barry A. Knight,
Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

14 CFR Part 71

Proposed Amendment of Class E Airspace; Tallahassee, FL

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class E Airspace in the Tallahassee, FL area. Tallahassee Commercial Airport has been abandoned and controlled airspace is no longer needed. Airspace reconfiguration is necessary for the continued safety and management of instrument flight rules (IFR) operations within the Tallahassee, FL airspace area.

DATES: 0901 UTC. Comments must be received on or before May 25, 2012.
