Instructions: Please submit comments only and cite Information Collection 9000–0055, Freight Classification Description, in all correspondence related to this collection. All comments received will be posted without change to http://www.regulations.gov, including any personal and/or business confidential information provided.

FOR FURTHER INFORMATION CONTACT: Mr. Curtis Glover, Sr., Procurement Analyst, Office of Acquisition Policy, at (202) 501–1448 or via email at Curtis.glover@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. Purpose

The Government is required to provide, in solicitations, a complete description of the commodity to be acquired and of packing requirements to determine transportation (freight rate) charges for the evaluation of offers. Generally, the freight rate for supplies is based on the ratings applicable to the freight classification description published in the National Motor Freight Classification (for carriers) and the Uniform Freight Classification (for rail) filed with Federal and State regulatory bodies. When the Government purchases supplies that are new to the supply system, nonstandard, or modifications of previously shipped items, and different freight classifications may apply, per FAR clause 52.247–53, offerors are requested to indicate the full Uniform Freight Classification or National Motor Freight Classification. The Government will use these descriptions as well as other information available to determine the classification description most appropriate and advantageous to the Government.

B. Annual Reporting Burden

Respondents: 3,000.
Responses per Respondent: 3.
Annual Responses: 9,000.
Hours per Response: .167.
Total Burden Hours: 1,503.

Obtaining Copies of Proposals: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat (MVCB), 1275 First Street NE., Washington, DC 20417, telephone (202) 501–4755. Please cite OMB Control No. 9000–0055, Freight Classification Description, in all correspondence.

Laura Auletta,
Director, Office of Governmentwide Acquisition Policy, Office of Acquisition Policy, Office of Governmentwide Policy.

BILLING CODE 6820–EP–P

DEPARTMENT OF DEFENSE

Office of the Secretary

Amendment to the Inland Waterways Users Board

AGENCY: DoD.

ACTION: Charter Amendment for Federal Advisory Committee.

SUMMARY: Under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b), and 41 CFR 102–3.50(d), the Department of Defense gives notice that it is amending the charter for the Inland Waterways Users Board (hereafter referred to as “the Board”). The Board is authorized by statute, and shall provide the Secretary of Defense, through the Secretary of the Army and the Assistant Secretary of the Army for Civil Works, independent advice and recommendations on matters relating to construction and rehabilitation priorities and spending levels on the commercial navigation features and components of the U.S. inland waterways and inland harbors as defined in Public Law 95–502 and amended by Public Law 99–662.

According to 33 U.S.C. 2251b, the Board shall annually file their recommendations with the Secretary of the Army and with Congress. The Secretary of the Army, pursuant to DoD policy, may act upon the Board’s advice and recommendations. Board members, as determined by the Department of Defense, shall be representative members and, pursuant to 33 U.S.C. 2251(a), the Board shall be composed of eleven members.

Based upon the Secretary of the Army’s recommendation, the Secretary of Defense shall invite primary commercial users and shippers of the inland and intracoastal waterways to serve on the Board. Commercial users and shippers invited to serve on the Board shall designate an individual to represent the organization’s interests.

The Department of Defense, when considering prospective users and shippers to be represented on the Board, shall ensure selections represent various regions of the country and a spectrum of the primary users and shippers utilizing the inland and intracoastal waterways for commercial purposes. Due consideration shall be given to assure a balance among the members based on the ton-mile shipments of the various categories of commodities shipped on inland and intracoastal waterways.

A primary user or shipper may be represented on the Board, at the request of the Secretary of the Army and with the approval of the Secretary of Defense, for a two-year term of service with annual renewals. A user or shipper may be represented on the Board for no more than two years of service (four years); a user or shipper may be subsequently represented on the Board, but only after being off the Board for at least two years.

In addition to the primary users and shippers invited by the Secretary of Defense, the Secretary of the Army shall designate, and the Secretaries of Agriculture, Transportation and Commerce may each designate a representative to act as an observer of the Board. These observers, who have no voting rights, shall be full-time or permanent part-time employees of his or her respective agency.

Pursuant to 33 U.S.C. 2251(a), the Secretary of the Army shall designate one Board member to serve as the Board’s Chairperson. With the exception of travel and per diem for official travel, all Board members shall serve without compensation.

With DoD approval and according to DoD policies and procedures, the Board, consistent with its mission, is authorized to establish subcommittees, task groups, or working groups to support the Board. These subcommittees or working groups shall operate under the provisions of FACA, the Sunshine Act, and other governing Federal statutes and regulations, and governing DoD policies and procedures.

Such subcommittees or task groups shall not work independently of the chartered Board, and shall report all their recommendations and advice to the Board for full deliberation and discussion. Subcommittees have no authority to make decisions on behalf of the chartered Board; nor can any subcommittee or its members update or report directly to the Department of Defense or any Federal officers or employees.

All subcommittee members shall be appointed in the same manner as the
Board members: that is, the Secretary of Defense shall appoint subcommittee members even if the member in question is already a Board member. Subcommittee members, with the approval of the Secretary of Defense, may serve a term of service on the subcommittee of two years; however, no member shall serve more than two consecutive terms of service on the subcommittee.

With the exception of travel and per diem for official travel, subcommittee members shall serve without compensation.

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Acting Advisory Committee Management Officer for the Department of Defense, 703–692–5952.

SUPPLEMENTARY INFORMATION: The Board shall meet at the call of the Board’s Designated Federal Officer, in consultation with the Chairperson. The Board shall meet at least semi-annually.

In addition, the Designated Federal Officer is required to be in attendance at all Board and subcommittee meetings for the entire duration of each and every meeting; however, in the absence of the Designated Federal Officer, the Alternate Designated Federal Officer shall attend the entire duration of the Board or subcommittee meeting.

Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to the Inland Waterways Users Board membership about the Board’s mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Inland Waterways Users Board.

All written statements shall be submitted to the Designated Federal Officer for the Inland Waterways Users Board, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Inland Waterways Users Board’s Designated Federal Officer can be obtained from the GSA’s FACA Database—https://www.fido.gov/facadatabase/public.asp.

The Designated Federal Officer, pursuant to 41 CFR 102–3.150, will announce planned meetings of the Inland Waterways Users Board. The Designated Federal Officer, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Dated: April 12, 2012.

Aaron Siegel,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

Termination of Provider Reimbursement Demonstration Project for the State of Alaska

AGENCY: Department of Defense (DoD).

ACTION: Notice of demonstration termination.

SUMMARY: This notice provides a termination of the demonstration project in the State of Alaska for individual provider payment rates. Under the demonstration, payment rates for physicians and other non-institutional individual professional providers in the State of Alaska have been set at a rate higher than the Medicare rate. The goal of the demonstration was to determine at what rate payment would need to be set in order to encourage higher participation in the TRICARE program by providers in Alaska.

DATES: The demonstration regarding payment rates for physicians and other non-institutional providers is terminated effective May 17, 2012.

ADDRESSES: TRICARE Management Activity (TMA), Medical Benefits and Reimbursement Branch, 16401 East Centretech Parkway, Aurora, CO 80011–9066.

FOR FURTHER INFORMATION CONTACT: Glenn J. Corn, TRICARE Management Activity, Medical Benefits and Reimbursement Branch, telephone (303) 676–3566.

SUPPLEMENTARY INFORMATION: On November 20, 2006 (71 FR 67113), DoD published a Notice of a TRICARE demonstration project for the State of Alaska, with an effective date of January 1, 2007. The demonstration set payment rates for physicians and other non-institutional individual professional providers in the State of Alaska at a rate higher than the Medicare rate in order to determine if more individual providers would participate in the TRICARE program. The demonstration was effective January 1, 2007 for a period of three years, ending on December 31, 2009. The demonstration was extended twice. On December 18, 2009 (74 FR 67179), DoD published a Notice of demonstration extension that extended the demonstration through December 31, 2010, and on July 8, 2010 (75 FR 39213), DoD published a Notice of demonstration extension that extended the demonstration through December 31, 2012.

An analysis of the effectiveness of the demonstration was conducted and it showed an increase in provider participation. This increased participation opened access to local specialty care that had previously been severely impaired, and it decreased the overall cost of health care by reducing the travel costs incurred by the Department for Prime beneficiaries who had been forced to travel long distances to receive care outside of Alaska. The demonstration also showed that each geographic area in Alaska had increased participation using the same “multiplier” of the Medicare rate. Thus in order to preserve the successes made through the demonstration project in improving provider access and to keep the CHAMPUS Maximum Allowable Charge rates in relative proportion with the demonstration rates, the Department has determined that it can use its current authority under Title 10, United States Code, section 1079(h)(5) to provide a state-wide locality based reimbursement waiver without requesting additional statutory or regulatory authority for the State of Alaska. A state-wide locality based waiver was approved by the Director of TMA under current authority (Title 32, Code of Federal Regulations, section 199.14(j)(1)(iv)(D)) on September 15, 2011, and thus the need for this demonstration has ceased. This state-wide locality based reimbursement waiver allows the higher individual provider payment rates associated with the demonstration project.

Patricia Toppings,
OSD Federal Register Liaison Officer, Department of Defense.
