

each to the overall purpose of the recommended workshop's goals. NIST will consider the following when developing the workshops that it will offer: Does the recommended workshop align with the Administration and/or NIST priorities? Is the workshop recommendation compatible with or complementary to these priorities? Is the recommended country, countries or region of focus identified in the National Export Strategy as a key market (target market, next tier market or mature market)? Is the product sector export-intensive and/or have the potential to enhance U.S. export opportunities? Is the recommended country/region developing infrastructure? Is there a need for standards and conformity assessment to support the changes? Have or will new regulations be proposed that will impact market entry for U.S. industry? Is there a market access issue in a specific sector, country or region? If appropriate, is there support from a regulatory or other federal agency for the workshop recommendation? Is there a significant and possible long-term commitment from U.S. industry stakeholders to support the recommendation and the goals and objectives of the recommended workshop?

All recommendations must be submitted through the webform at <http://gsi.nist.gov/global/index.cfm/L1-4/L2-14>.
