more effective or less burdensome. The Commission considered action on Docket No. 05–06 at its December 8, 2011 meeting. On April 12, 2012, the Commission issued an order discontinuing Docket No. 05–06, citing its intention to conduct a full review of its regulations contained in part 531 governing NSAs, in accordance with its Plan for Retrospective Review of Existing Rules.

Accordingly, the Commission now invites comment and information from all members of the interested public (whether they be located in the United States or elsewhere), including ocean common carriers, ocean transportation intermediaries, exporters, and beneficial cargo owners, on ways to improve or change part 531. The Commission specifically requests comments and current information on (1) extending the exemption to allow two or more unaffiliated NVOCCs to jointly offer NSAs, and (2) how to make the NSA rules less burdensome and more effective in achieving the objectives of the Shipping Act. Comments that are specific and provide supporting data are most helpful.

Submit Comments

Non-confidential filings may be submitted in hard copy or by email as an attachment (preferably in Microsoft Word or PDF) addressed to secretary@fcc.gov on or before June 18, 2012. Include in the subject line: “NSAs—Response to NOL.” Confidential filings must be submitted in the traditional manner on paper, rather than by email. Comments submitted that seek confidential treatment must be submitted in hard copy by U.S. mail or courier. Confidential filings must be accompanied by a transmittal letter that identifies the filing as “confidential” and describes the nature and extent of the confidential treatment requested. When submitting comments in response to the Notice of Inquiry that contain confidential information, the confidential copy of the filing must consist of the complete filing and be marked by the filer as “Confidential-Restricted,” with the confidential material clearly marked on each page. When a confidential filing is submitted, an original and one additional copy of the public version of the filing must be submitted. The public version of the filing should exclude confidential materials, and be clearly marked on each affected page, “confidential materials excluded.” The Commission will provide confidential treatment to the extent allowed by law for those submissions, or parts of submissions, for which confidential treatment is requested. Questions regarding filing or treatment of confidential responses to this Notice of Inquiry should be directed to the Commission’s Secretary, Karen V. Gregory, at the telephone number or email provided above.

By the Commission.

Karen V. Gregory,
Secretary.
