

make such additional payments to participants as the Secretary determines appropriate for the purpose of providing reimbursements to participants for individual tax liability resulting from participation in this program. Finally, this section requires USDA to promulgate regulations within 270 days of the enactment of FCEA (*i.e.*, June 18, 2008). The Secretary delegated the authority to carry out this program to NIFA.

The final rule was published in the **Federal Register** on April 19, 2010 [75 FR 20239–20248]. Based on comments received during the 60-day comment period upon publication of the interim rule [74 FR 32788–32798, July 9, 2009], NIFA reconsidered the policy regarding individuals who consolidated their veterinary school loans with other educational loans (e.g. undergraduate) and their eligibility to apply for the VMLRP. NIFA will allow these individuals to apply for and receive a VMLRP award; however, only the eligible portion of the consolidation will be repaid by the VMLRP. Furthermore, applicants with consolidated loans will be asked to provide a complete history of their student loans from the National Student Loan Database System (NSLDS), a central database for student aid operated by the U.S. Department of Education. The NSLDS Web site can be found at www.nsls.ed.gov. Individuals who consolidated their DVM loans with non-educational loans or loans belonging to an individual other than the applicant, such as a spouse or child, will continue to be ineligible for the VMLRP.

In FY 2010, VMLRP announced its first funding opportunity and received 260 applications from which NIFA issued 53 VMLRP awards totaling \$5,186,000. In FY 2011, VMLRP announced its second funding opportunity and received 159 applications from which NIFA issued 78 VMLRP awards totaling \$7,506,000. Consequently, up to \$4,300,000 is available to support this program in FY 2012. Funding for future years will be based on annual appropriations and balances, if any, remaining from prior years.

The eligibility criteria for applicants and the application forms and associated instructions needed to apply for a VMLRP award can be viewed and downloaded from the VMLRP Web site at <http://www.nifa.usda.gov/vmlrp>.
