SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. OSM has submitted a request to OMB to renew its approval of the collection of information for 30 CFR Part 875—Noncoal Reclamation. OSM is requesting a 3-year term of approval for this information collection activity.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Responses are required to obtain a benefit. The OMB control number for this collection of information is listed in 30 CFR 875.10, which is 1029-0103.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on these collections of information was published on February 1, 2012 (77 FR 5049). OSM received one comment, but it did not accurately reflect 30 CFR Part 875, nor was it germane to this information collection. Therefore, we have not changed the collection in response to the comment.

This notice provides the public with an additional 30 days in which to comment on the following information collection activity:
