The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

Andrew Tomlinson or Representative, U.S. Army Corps of Engineers, 4155 Clay Street, Room 230, Vicksburg, MS 39183.

In a request for inclusion, please identify the reason or reasons why there is an interest to be included.
