Grain Inspection, Packers and Stockyard Administration

Title: Export Inspection and Weighing Waiver for High Quality Specialty Grains Transported in Containers.

OMB Control Number: 0580-0022.

Summary of Collection: The United States Grain Standards Act, as amended (7 U.S.C. 71-87) (USGSA), with few exceptions, requires that all grain shipped from the United States must be officially inspected and weighed. The Grain Inspection, Packers and Stockyards Administration (GIPSA) amended section 7 CFR 800.18 of the regulations to waive the mandatory inspection and weighing requirements of the USGSA for high quality specialty grain exported in containers. GIPSA established this waiver to facilitate the marketing of high quality specialty grain exported in containers.

Need and Use of the Information: To comply with the waiver of the mandatory inspection and weighing requirements, GIPSA requires exporters of high quality specialty grain to maintain records generated during the normal course of business that pertain to these shipments and make these documents available to GIPSA upon request for review or copying purposes. These records are maintained for a period of 3 years. This requirement is essential to ensure exporters of high quality specialty grain in containers comply with the waiver requirements.

Description of Respondents: Business or other for-profit.
