without regard to antidumping duties any entries for which the assessment rate is zero or de minimis (i.e., less than 0.50 percent). See 19 CFR 351.106(c)(1).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this new shipper review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for subject merchandise that is manufactured by Golden Dragon and exported by Golden Dragon established in the final results of this new shipper review, except no cash deposit will be required if its weighted-average dumping margin is de minimis (i.e., less than 0.5 percent); (2) if the exporter is not a firm covered in this review, but was covered in a previous review or the original less-than-fair-value (LTFV) investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers and/or exporters of this merchandise, shall be 26.03 percent, the all-others rate established in the LTFV investigation. See Seamless Refined Copper Pipe and Tube From Mexico and the People’s Republic of China: Antidumping Duty Orders and Amended Final Determination of Sales at Less Than Fair Value From Mexico, 75 FR 71070 (November 22, 2010). These requirements, when imposed, shall remain in effect until further notice.

Further, effective upon publication of the final results, we intend to instruct CBP that importers may no longer post a bond or other security in lieu of a cash deposit on imports of seamless refined copper pipe and tube from Mexico, manufactured by Golden Dragon and exported by Golden Dragon. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Hearing

The Department will disclose to parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the deadline for filing the case briefs. See 19 CFR 351.309(d). Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Additionally, parties are requested to provide their case briefs and rebuttal briefs in electronic format (e.g., WordPerfect, Microsoft Word, Adobe Acrobat, etc.).

Interested parties who wish to request a hearing or to participate if one is requested must submit a written request to the Assistant Secretary for Import Administration within 30 days of the date of publication of this notice. Requests should contain: (1) The party’s name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. See 19 CFR 351.310(c).

The Department will issue the final results of this review, including the results of its analysis of issues raised in any written briefs, within 90 days of signature of these preliminary results, unless the final results are extended. See section 751(a)(2)(B)(iv) of the Act.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review is issued and published in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act, as well as 19 CFR 351.214(i).

Paul Piquado,
Assistant Secretary for Import Administration.

Corrosion-Resistant Carbon Steel Flat Products From Germany and South Korea: Extension of Time Limits for Preliminary and Final Results of Third Antidumping Duty Sunset Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 27, 2012.

Background

On January 3, 2012, the Department of Commerce (the Department) initiated the third sunset reviews of the antidumping duty (AD) orders on corrosion-resistant carbon steel flat products (CORE) from Germany and South Korea (Korea), pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See Initiation of Five-Year (“Sunset”) Review, 77 FR 85 (January 3, 2012). Within the deadline specified in 19 CFR 351.218(d)(1)(i), the Department received notices of intent to participate, in both sunset reviews, on behalf of United States Steel Corporation, Nucor Corporation, and ArcelorMittal Steel USA (collectively, domestic interested parties). Each claimed interested party status under section 771(9)(C) of the Act, as a producer of domestic like product. The Department received timely substantive responses from the domestic interested parties. On February 22, 2012, after analyzing the substantive and rebuttal responses of interested parties, consistent with 19 CFR 351.218(e)(1)(iii)(A), the Department determined to conduct expedited sunset reviews of these AD orders on the basis that no respondent interested party submitted a substantive response in either review.

On February 14, 2012, the Department published in the Federal Register a notice entitled Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings: Final Modification, 77 FR 8101 (February 14, 2012) (Final Modification for Reviews),
In that notice, the Department announced the modification of its methodology regarding the calculation of the weighted-average dumping margins in certain segments of antidumping duty proceedings and stated that it would apply to all sunset reviews for which preliminary or final results were due more than 60 days after publication (i.e., April 16, 2012). On April 20, 2012, the Department reconsidered its determination to conduct expedited sunset reviews of these orders and determined to conduct full sunset reviews of the AD orders on CORE from Germany and Korea. See Memorandum to Barbara E. Tillman, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, from Melissa G. Skinner, Director, Antidumping and Countervailing Duty Operations, Office 3, regarding “Sunset Reviews of the Antidumping Duty Orders on Corrosion-Resistant Carbon Steel Flat Products from Germany and South Korea: Adequacy Redetermination Memorandum,” (April 20, 2012). The preliminary results of these full sunset reviews are currently due April 23, 2012.\(^1\)

**Extension of Time Limits**

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its determination by not more than 90 days, if it determines that the sunset review is extraordinarily complicated. We determine that these AD sunset reviews are extraordinarily complicated, pursuant to section 751(c)(5)(C) of the Act, because of a large number of complex issues in each review that the Department must analyze pursuant to the Final Modification for Reviews.

The preliminary results of these full sunset reviews of the AD orders on CORE from Germany and Korea are currently scheduled for April 23, 2012, and the final results of these reviews are scheduled for August 30, 2012. The Department is extending the deadlines for both the preliminary and final results of these full sunset reviews. As a result, the Department intends to issue the preliminary results of these full sunset reviews of the AD orders on CORE from Germany and Korea no later than July 21, 2012, and the final results of the reviews no later than November 28, 2012. These dates are 90 days from the original scheduled dates of the preliminary and final results of these full sunset reviews.

This notice is issued in accordance with sections 751(c)(5)(B) and (C)(v) of the Act.

Barbara E. Tillman,
Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
