11. To the U.S. Department of Veterans Affairs (VA) for statistical analysis to advance the goals of the nation’s federal strategic plan to prevent and end homelessness through the collection, analysis, and reporting of quality and timely data on veterans homelessness to assist VA with the establishment and/or verification of the following: Reducing homelessness among our nation’s veterans; identify and understand the needs of homeless veterans and to develop programs and services to address those needs; effective administration of the HUD–Veterans Affairs Supportive Housing (VASH) program by HUD and VA business partners; HUD–VASH program monitoring and evaluation; and the production of aggregate statistical data without any personal identifiers, which will not be used to make decisions concerning the rights, benefits, or privileges of specific individuals, or providers of services with respect to assistance provided under the HUD–VASH program;

12. To the U.S. Department of Veterans Affairs (VA), under approved computer matching agreement, or data sharing agreement pursuant to a Presidential Executive Order (EO) mandate and in accordance with the Federal Privacy Act and Computer Matching and Privacy Protection Act:
To identify and recover overpayments (improper payments) of rental assistance, determine compliance with program requirements by program administrators and participants of HUD rental housing assistance programs, deter future abuses in rental housing assistance programs, reduce administrative costs associated with manual program evaluation and monitoring efforts, and ensure that only eligible participants receive rental assistance in the correct amount;

13. To any Federal agency pursuant to statutory or regulatory authority in accordance with the provisions of the U.S. Federal Privacy Act (5 USC 552a) and Computer Matching and Privacy Protection Act; and,

14. To appropriate agencies, entities, and persons when: (a) HUD suspects or has confirmed that the security or confidentiality of information in a system of records has been compromised; (b) HUD has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of systems or programs (whether maintained by HUD or another agency or entity) that rely upon the compromised information; and (c) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with HUD’s efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm for purposes of facilitating responses and remediation efforts in the event of a data breach.

POLICIES FOR STORING, RETRIEVING, AND DISPOSING OF SYSTEM RECORDS

STORAGE:
Records are stored manually and electronically in PHA office automation equipment and paper files, respectively. Records are also stored on HUD computer servers for HUD and PHA staff to access via the Internet. HUD’s information technology partners, Electronic Data Services (EDS) and Lockheed Martin maintain disk and backup files of IMS/PIC data.

RETRIEVABILITY:

An individual’s records may be retrieved by computer search of indices by the individual’s name, date of birth, and/or SSN. PHA records may be retrieved by PHA Code, User ID, and/or IMS/PIC user’s last name. Note: A user’s search capability is limited to only those program participants within the user’s jurisdiction and assigned to his or her User ID.

SAFEGUARDS:

Records have limited access to those persons whose official duties require the use of such records. Computer files and printed listings are maintained in locked cabinets. Background screening, limited authorization and access with access limited to authorized personnel and authorize users. User’s access, updates access, read-only access, and approval access based on the user’s role and security access level.

RETENTION AND DISPOSAL:

Electronic records are maintained and destroyed in accordance with requirements of the HUD Records Disposition Schedule, 2225–6. In accordance with 24 CFR 908.101 and HUD record retention requirements at 24 CFR 85.42, PHAs are required to retain at least three years’ worth of IMS/PIC data either electronically or in paper form.

SYSTEM MANAGERS AND ADDRESSES:

NOTIFICATION AND RECORD ACCESS PROCEDURES:

Individuals seeking to determine whether this system of records contains information about them, or those seeking access to such records, should address inquiries to Harold Williams, Acting Chief Privacy Officer, Department of Housing and Urban Development, 451 Seventh Street SW., Room 4156, Washington, DC 20410. Provide verification of your identity by providing two proofs of official identification. Your verification of identity must include your original signature and must be notarized.

CONTESTING RECORD PROCEDURES:

Since individual information reported in HUD-VASH is submitted to HUD by VA and PHAs based on information collected directly from the individual, individuals must contact the VA and PHA, respectively, to request correction of any individual-supplied information reported incorrectly by the VA or PHA. HUD does not have the ability to modify VA or PHA-reported data within HUD-VASH. With respect to any HUD determination based on HUD-VASH data, the procedures for appealing HUD’s initial determination records are outlined in 24 CFR Part 16.

CONTESTING RECORD PROCEDURES:

The Department’s rules for contesting the contents of records and appealing initial denials, by the individual concerned, appear in 24 CFR part 16. If additional information or assistance is needed, it may be obtained by contacting:

i. Contesting contents of records: U.S. Department of Housing and Urban Development, Chief Privacy Officer, 451 Seventh Street SW., Washington, DC 20410;

ii. Appeals of initial HUD determinations: In relation to contesting contents of records, the HUD Departmental Privacy Appeals Officers, Office of General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410.

RECORD SOURCE CATEGORIES:

HUD-VASH receives data from HUD contractors, PHAs, PHA-hired management agents, the Department of Veteran Affairs, and other federal, state and local agencies. The HUD-VASH data reported by PHAs and PHA-hired management agents is electronically transmitted to IMS/PIC using PHA-owned software or via HUD’s Family Reporting Software (FRS) and subsequently imported into HUD-VASH.

EXEMPTIONS FROM CERTAIN PROVISIONS OF THE ACT:

None.
