Initial Payment under a CDS Contract is established at the time the contract is executed and may be payable from either the protection buyer to the protection seller or vice versa. Under the current ICE Clear Europe Rules (by way of the incorporated ISDA Credit Derivatives Definitions), and consistent with practice in the market for uncleared credit default swaps, the Initial Payment is required to be made on the third business day following the trade date. ICE Clear Europe proposed to amend the definition of Initial Payment in its Clearing Rules to provide instead that the Initial Payment is to be made on the first business day following the trade date (or, if the transaction is accepted for clearing after the trade date, the Initial Payment is to be made on the first business day following the date of acceptance for clearing). ICE Clear Europe believes that this change from T+3 settlement to T+1 settlement will reduce settlement risk for the clearinghouse and clearing members and improve margin efficiency (as margin requirements will no longer need to take into account the additional risk from a T+3 as opposed to a T+1 settlement rule). ICE Clear Europe’s CDS Risk Committee approved the proposed rule changes.

The other proposed changes in the ICE Clear Europe Rules reflect updates to cross-references and defined terms and similar drafting clarifications, and do not affect the substance of the ICE Clear Europe Rules or cleared products.

III. Discussion

Section 19(b)(2)(B) of the Act directs the Commission to approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of the Act and the organization if it finds that such rule change of a self-regulatory organization is consistent with the requirements of Section 17A(b)(3)(F) of the Act.

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR–ICEEU–2012–04) be, and hereby is, approved.

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.

Kevin O’Neill,
Deputy Secretary.

The National Parks Air Tour Management Act of 2000 (NPATMA), enacted on April 5, 2000, as Public Law 106–181, required the establishment of the NPOAG within one year after its enactment.
