

In accordance with 33 CFR 117.35(e), the bridge must return to its regular operating schedule immediately at the end of the designated time periods. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: April 24, 2012.

Gary Kassof,

Bridge Program Manager, First Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2012-0344]

Drawbridge Operation Regulations; Manchester Harbor, Manchester, MA

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the regulation governing the operation of the Massachusetts Bay Transportation Bridge across Manchester Harbor, mile 1.0, at Manchester, Massachusetts. The deviation allows the bridge to remain in the closed position to facilitate timber replacement.

DATES: This deviation is effective from 1 a.m. on April 28, 2012 through 4 a.m. on May 7, 2012.

ADDRESSES: Documents mentioned in this preamble as being available in the docket are part of docket USCG-2012-0344 and are available online at www.regulations.gov, inserting USCG-2012-0344 in the "Keyword" and then clicking "Search". They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. John McDonald, Project Officer, First Coast Guard District, telephone (617) 223-8364, email john.w.mcdonald@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The Massachusetts Bay Transportation Bridge, across Manchester Harbor, mile 1.0, at Manchester, Massachusetts, has a vertical clearance in the closed position of 6 feet at mean high water and 15 feet at mean low water. The drawbridge operation regulations are listed at 33 CFR 117.603.

The operator of the bridge, Massachusetts Bay Transportation Authority, requested a temporary deviation from the regulations to facilitate scheduled bridge maintenance, timber replacement at the bridge.

The timber replacement is vital necessary work that must be performed when no rail service is operating during weekend hours.

The waterway users are recreational vessels many of which can pass under the bridge in the closed position.

The bridge is normally crewed on a limited basis from 9 a.m. to 1 p.m. and from 1 p.m. to 6 p.m., April 1 through Memorial Day due to infrequent requests to open the bridge.

Under this temporary deviation the Massachusetts Bay Transportation Authority Bridge may remain in the closed position from 1 a.m. on Saturday, April 28, 2012 through 4 a.m. on Monday, April 30, 2012 and from 1 a.m. on Saturday, May 5, 2012 through 4 a.m. on Monday, May 7, 2012. Vessels that can pass under the bridge in the closed position may do so at all times.

In accordance with 33 CFR 117.35(e), the bridge must return to its regular operating schedule immediately at the end of the designated time periods. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: April 24, 2012.

Gary Kassof,

Bridge Program Manager, First Coast Guard District.

[Docket No. USCG-2012-0337]

RIN 1625-AA00

Safety Zone; 2012 Memorial Day Tribute Fireworks, Lake Charlevoix, Boyne City, Michigan

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on

Lake Charlevoix near Boyne City, Michigan. This zone is intended to restrict vessels from a portion of Lake Charlevoix due to a fireworks display. This temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with a fireworks display.

DATES: This rule is effective from 10 p.m. until 10:45 p.m. on May 26, 2012.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2012-0337 and are available online by going to <http://www.regulations.gov>, inserting USCG-2012-0337 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email MST3 Kevin Moe, U.S. Coast Guard, Sector Sault Sainte Marie, telephone 906-253-2429, email at Kevin.D.Moe@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. The final details for this event were not received by the Coast Guard with sufficient time for a comment and period to run before the start of the event. Thus, delaying this rule to wait for a notice and comment period to run would be impracticable and would inhibit the Coast Guard's ability to protect the public from the hazards associated with maritime fireworks displays.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30

days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, a 30 day notice period would be impracticable.

Background and Purpose

On the evening of May 26, 2012, fireworks will be launched from a point on Lake Charlevoix to commemorate Memorial Day. The Captain of the Port, Sector Sault Sainte Marie, has determined that the Memorial Day Tribute Fireworks Display will pose significant risks to the public. The likely congested waterways in the vicinity of a fireworks display could easily result in serious injuries or fatalities.

Discussion of Rule

To mitigate the risks associated with the Memorial Day Tribute Fireworks Display, the Captain of the Port, Sector Sault Sainte Marie will enforce a temporary safety zone in the vicinity of the launch site. This safety zone will encompass all waters of Lake Charlevoix, in the vicinity of Sommerset Pointe, within the arc of a circle with an 800ft radius from the fireworks launch site located on a barge positioned 45°13'04" N, 085°03'41" W [DATUM: NAD 83]. The safety zone will be effective and enforced from 10 p.m. until 10:45 p.m. on May 26, 2012.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative. The Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative may be contacted via VHF channel 16.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not

interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone will be relatively small and will exist for only a minimal time. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by proper authority.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of Lake Charlevoix between 10 p.m. and 10:45 p.m. on May 26, 2012.

This safety zone will not have significant economic impact on a substantial number of small entities for the following reasons: this rule will only be enforced for a short period of time. Vessels may safely pass outside the safety zone during the event. In the event that this temporary safety zone affects shipping, commercial vessels may request permission from the Captain of the Port, Sector Sault Sainte Marie, to transit through the safety zone. The Coast Guard will give notice to the public via a Broadcast to Mariners that the regulation is in effect.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by

employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination

with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction because it involves the establishment of a safety

zone. A final environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T09–0337 to read as follows:

§ 165.T09–0337 Safety Zone; 2012 Memorial Day Tribute Fireworks, Lake Charlevoix, Boyne City, Michigan.

(a) **Location.** The safety zone will encompass all U.S. navigable waters of Lake Charlevoix, in the vicinity of Sommerset Pointe, within the arc of a circle with 800-foot radius from a fireworks launch site located on a barge at position 45°13'04" N, 085°03'41" W [DATUM: NAD 83].

(b) **Effective and enforcement period.** This rule is effective and will be enforced from 10 p.m. until 10:45 p.m. on May 26, 2012.

(c) **Regulations.**

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative.

(3) The “on-scene representative” of the Captain of the Port, Sector Sault Sainte Marie, is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port, Sector Sault Sainte Marie, to act on his or her behalf. The on-scene representative of the Captain of the Port, Sector Sault Sainte Marie, will be aboard either a Coast Guard or Coast Guard Auxiliary vessel.

(4) Vessel operators desiring to enter the or operate within the safety zone

shall contact the Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative to obtain permission to do so. The Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port, Sector Sault Sainte Marie, or his or her on-scene representative.

Dated: April 23, 2012.

S.B. Lowe,

Commander, U.S. Coast Guard, Acting Captain of the Port Sault Sainte Marie.

33 CFR Part 165

[Docket No. USCG–2012–0052]

RIN 1625-AA87

Security Zones; North Atlantic Treaty Organization (NATO) Summit, Chicago, IL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule; correction.

SUMMARY: This document corrects the preamble of the Temporary Final Rule (TFR) published in the **Federal Register** on April 13, 2012. In the preamble, the Coast Guard stated that no comments were received regarding the proposed rule (77 FR 13232) that would establish four separate security zones in the Chicago Harbor and Chicago River during the NATO Summit. This statement is incorrect. The Coast Guard received one comment.

DATES: Effective May 2, 2012.

FOR FURTHER INFORMATION CONTACT: CWO Jon Grob, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI (414) 747–7188.

SUPPLEMENTARY INFORMATION:

Correction: On March 10, 2012, the Burnham Park Yacht Club (BPYC) submitted a comment in response to the Coast Guard’s NPRM that preceded the aforesaid TFR. In its comment, the BPYC described itself as a non-profit organization that provides tender services, mast stepping, and dining to BPYC members and to the public in general. The BPYC explained that it expects the NATO conference to have
