

are currently operating under also included an interchange commitment and, if it did not, why such a provision became necessary eight years later.

The Board needs to take a close look at long-term leases that have the potential to control the competitive environment for shippers—thus affecting rates and service—for years to come. At a time of far different economic circumstances in the railroad industry, our predecessor agency, the Interstate Commerce Commission, approved long-term leases and sales involving interchange commitments with little or no analysis. Years later, the Board is still grappling with the economic and competitive consequences of those transactions.

Clearance Clerk.

Title: Request for Payment of Federal Benefit by Check, EFT Waiver Form.

Abstract: 31 CFR part 208 requires that all Federal non-tax payments be made by electronic funds transfer (EFT). This form is used to collect information from individuals requesting a waiver from the EFT requirement because of a mental impairment and/or who live in a remote geographic location that does not support the use of EFT. These individuals may continue to receive payment by check. However, 31 CFR part 208 requires individuals requesting one of these waiver conditions to submit a written justification that is notarized by a notary public. In order to assist individuals with this submission, Treasury is preparing a waiver form so that all necessary information is collected.

Affected Public: Individuals or Households.

Estimated Total Burden Hours: 3,000.

Treasury PRA Clearance Officer.
