

arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.³⁶

The Commission asks that commenters address the sufficiency and merit of the Exchange's statements in support of the proposals, in addition to any other comments they may wish to submit about the proposed rule changes. The Commission is focusing its request for comment on the fee for removing liquidity assessed on Directed Participants as compared to the fee for removing liquidity assessed on Market Makers, not the other fee changes that were included in Phlx-2012-27. In particular, the Commission seeks comment on the following:

- As noted above, Section 6(b)(5) of the Act requires, among other things, that the rules of a national securities exchange not be "designed to permit unfair discrimination between customers, issuers, brokers or dealers." The Commission seeks comment on whether discrimination on the basis of whether a market maker has an off-exchange arrangement to pay an OFP to direct its orders to that market maker is a "fair" basis for discrimination among its members with respect to the fees charged by the exchange. Do commenters' views change depending on whether the payment for order flow is pursuant to exchange rules or an off-exchange payment for order flow arrangement?;

- The Commission seeks comment on whether the filing for SR-Phlx-2012-27 or for SR-Phlx-2012-54 was sufficient under Section 19(b) of the Act in addressing issues regarding the basis for discrimination between Market Makers and Directed Participants in Complex Order transaction fees, and whether the basis for such discrimination is fair, and why or why not;

- As noted above, Section 6(b)(4) requires that the rules of a national securities exchange "provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities." The Commission seeks comment on whether the filing for SR-Phlx-2012-27 or for SR-Phlx-2012-54 was sufficient under Section 19(b) of the Act in addressing issues regarding the reasonableness of the

proposed fees (and thus the proposed fee differential), and whether the amount of the proposed fees (and thus the amount of the proposed fee differential), are reasonable, and why or why not. Does a flat \$0.05 fee differential appropriately reflect potential differences that may exist in payment for order flow arrangements between market makers and OFPs?;

- Section 6(b)(8) of the Act requires that the rules of a national securities exchange "not impose any burden on competition not necessary or appropriate in furtherance of the purposes of [the Exchange Act]. The Commission seeks comment on whether the filing for SR-Phlx-2012-27 or for SR-Phlx-2012-54 was sufficient under Section 19(b) of the Act in addressing issues regarding the effects of the proposed fee change on competition, and what, if any, impact the proposed fee change has or will have on competition, especially as between Directed Participants and Market Makers; and

- Whether the proposed fee changes will affect the quality of execution of Customer Complex Orders or broader market quality; and if so, how and what type of impact will they have.

Interested persons are invited to submit written data, views, and arguments concerning the proposed rule changes, including whether the proposed rule changes are consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-Phlx-2012-27 and/or SR-Phlx-2012-54 on the subject line.

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed

rule changes that are filed with the Commission, and all written communications relating to the proposed rule changes between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make publicly available. All submissions should refer to File Number SR-Phlx-2012-27 and SR-Phlx-2012-54 and should be submitted on or before May 25, 2012. Rebuttal comments should be submitted by June 8, 2012.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(3)(C) of the Act,³⁷ that File Nos. SR-Phlx-2012-27 and SR-Phlx-2012-54, be and hereby are, temporarily suspended. In addition, the Commission is instituting proceedings to determine whether the proposed rule changes should be approved or disapproved.

On October 21, 2011, the President signed into law the United States-Colombia Trade Promotion Agreement Implementation Act ("the Colombia TPA Act") (Pub. L. 112-42, 125 Stat. 462 (19 U.S.C. 3805 note)). In section 101(a) of the Colombia TPA Act, the Congress approved the Colombia TPA. The Colombia TPA will enter into force on May 15, 2012.
