deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 206.00 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.221(b)(4) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Ronald K. Lorentzen,
Acting Assistant Secretary for Import Administration.

**SUPPLEMENTARY INFORMATION:**

### Background

The current deadline for the preliminary results of this administrative review is June 1, 2012.

### Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

We require additional time to adequately analyze all questionnaire responses and to solicit and receive supplemental information before the current preliminary results due date. Consequently, we have determined that it is not practicable to complete the preliminary results of this review within the original time limit (i.e., by June 1, 2012). Therefore, the Department is extending the time limit for completion of the preliminary results by 120 days to not later than September 29, 2012, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2). Department practice dictates that, where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005). Because September 29, 2012, is a Saturday, the Department will therefore issue the preliminary results in this administrative review no later than October 1, 2012.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act. Dated: May 1, 2012.

Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
