SUPPLEMENTARY INFORMATION:

Title: Return of Organization Exempt From Income Tax .

OMB Number: 1545-0047.

Form Number: 990, and Schedules.

Abstract: Form 990 is needed to determine that Code section 501(a) tax-exempt organizations fulfill the operating conditions of their tax exemption. Schedule H is directly related to the Affordable Care Act and has changed significantly since this collection was previously approved by OMB. Section 9007 of the Patient Protection and Affordable Care Act (Affordable Care Act), Public Law 111-148, 124 Stat. 119 (March 23, 2010), included new requirements for tax-exempt hospital organizations and their hospital facilities, including information return reporting requirements. To gather information on hospital organizations' compliance with these requirements and on related policies and practices, the IRS revised the Form 990, Schedule H for tax year 2010 to add a new Part V.B. To give the hospital community more time to familiarize itself with the types of information the IRS is requesting, the IRS made Part V.B optional for tax year 2010. See Announcement 2011-37, 2011-27 I.R.B. 37. Beginning in tax year 2011, Part V.B is no longer optional, with the exception of lines 1 through 7, regarding community health needs assessments (CHNAs), as the CHNA requirements of the Affordable Care Act are only effective for tax years beginning after March 23, 2012. Accordingly, hospital organizations that are required to file the 2011 Form 990 are required to complete all parts and sections of the 2011 Schedule H, including Part V.B, except lines 1 through 7 of Part V.B.

Current Actions: Schedule H (Form 990) has been revised.

Type of Review: Revision of a currently approved collection.

Affected Public: Not-for-profit institutions.

Estimated Number of Respondents: 403,068.

Estimated Time per Respondent: 63 hrs., 56 min.

Estimated Total Annual Burden Hours: 25,766,156.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

- (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility;
- (b) the accuracy of the agency's estimate of the burden of the collection of information;
- (c) ways to enhance the quality, utility, and clarity of the

information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: May 4, 2012.
