

### Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, we have made certain revisions to the margin calculation for TAFISHCO. For the reasons explained in the I&D Memo at Comment I, we have changed our primary surrogate country selection from Indonesia to Bangladesh. For all other changes to the calculation of TAFISHCO, see the I&D Memo and company-specific analysis memorandum. For changes to the surrogate values, see the I&D Memo and “Memorandum to the File, through Matthew Renkey, Acting Program Manager, AC/CVD Operations, Office 9, from Emeka Chukwudebe, Case Analyst, AD/CVD Operations, Office 9, Antidumping New Shipper Review of Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Surrogate Values for the Final Results,” dated May 3, 2012.

### Final Results of Review

The dumping margin for the POR is as follows:

Manufacturer/exporter	Weighted-average margin (dollars per kilogram)
Thuan An Production Trading & Services Co., Ltd .....	0.00

### Assessment

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific (or customer) *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate, without regard to antidumping duties, all entries of subject merchandise during the POR for which the importer-specific assessment rate is zero or *de minimis*.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this new shipper review for all shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse,

for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (“Act”): (1) For subject merchandise produced and exported by TAFISHCO, the cash deposit rate will be the rate established in the final results of this new shipper review. If the cash deposit rate calculated in the final results is zero or *de minimis*, no cash deposit will be required for the specific producer-exporter combination listed above; (2) for subject merchandise exported by TAFISHCO, but not manufactured by TAFISHCO, the cash deposit rate will continue to be the Vietnam-wide rate (*i.e.*, \$2.11/Kilogram); and (3) for subject merchandise manufactured by TAFISHCO, but exported by any other party, the cash deposit rate will be the Vietnam-wide rate (*i.e.*, \$2.11/Kilogram). The cash deposit requirement, when imposed, shall remain in effect until further notice.

### Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

### Administrative Protective Order

In accordance with 19 CFR 351.305(a)(3), this notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

We are issuing and publishing this new shipper review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: May 3, 2012.

#### Drawn Stainless Steel Sinks From the People’s Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* May 10, 2012.

**FOR FURTHER INFORMATION CONTACT:** Shane Subler or Hermes Pinilla, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0189 or (202) 482–3477, respectively.

#### Background

On March 21, 2012, the Department of Commerce (“the Department”) initiated an investigation of drawn stainless steel sink from the People’s Republic of China (“PRC”). See *Drawn Stainless Steel Sinks from the People’s Republic of China: Initiation of Countervailing Duty Investigation*, 77 FR 18211 (March 27, 2012). Currently, the preliminary determination is due no later than May 25, 2012.

#### Postponement of Due Date for Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, if the Department concludes that the parties concerned in the investigation are cooperating and determines that the investigation is extraordinarily complicated, section 703(c)(1)(B) of the Act allows the Department to postpone making the preliminary determination until no later than 130 days after the date on which the administering authority initiates an investigation. The Department finds that the instant case is extraordinarily complicated because of the number and complexity of the alleged countervailable subsidy practices, and the need to determine the extent to which particular countervailable subsidies are used by individual manufacturers, producers, and exporters. In addition, the Department finds that the parties thus far identified in the investigation are

cooperating. Therefore, the Department is extending the due date for the preliminary determination by 130 days after the day on which the investigation was initiated (*i.e.*, until July 29, 2012). However, July 29, 2012, falls on a Sunday. It is the Department’s long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for completion of the preliminary determination is no later than July 30, 2012.

As the Department is aware, Section 703(c)(2) of the Act and 19 CFR 351.205(f) state that if the Department postpones the preliminary determination, it will notify all parties to the proceeding no later than 20 days prior to the scheduled date of the preliminary determination. The Department acknowledges that it inadvertently missed this deadline. The Department received numerous comments regarding the respondent selection, which delayed the issuance of questionnaires, and intended to extend the deadline to issue the preliminary determination, but due to the administrative oversight we did not complete an extension notice on time.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f).

Dated: May 4, 2012.
