

section 716 suggest a different reading was intended.¹¹

In general, the Wall Street Transparency and Accountability Act became effective on July 16, 2011, which is later than the effective date of the Dodd-Frank Act generally. The Wall Street Transparency and Accountability Act has two subtitles. Both subtitles contain provisions that establish an effective date that is 360 days after the enactment of the subtitle (unless otherwise noted in that subtitle).¹² The date of enactment was July 21, 2010, making the effective date of the subtitles comprising the Wall Street Transparency and Accountability Act July 16, 2011. Because section 716 specifically adopts an effective date that is 2 years following the effective date of the Wall Street Transparency and Accountability Act, section 716 will become effective on July 16, 2013.¹³
