BILLING CODE 9111-97-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5415-FA-25]

Announcement of Funding Awards; Choice Neighborhoods Grant Program for Fiscal Years (FY) 2010 and 2011

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in a competition for funding under the FY2010 and FY2011 Notice of Funding Availability (NOFA) for the Choice Neighborhoods Grant Program. This announcement contains the consolidated names and addresses of award recipients under the Choice Neighborhoods Grant Program.

FOR FURTHER INFORMATION CONTACT: Caroline Clayton, Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW., Room 4130, Washington, DC 20410, telephone 202-401-8812. Hearing or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: Building upon the successes achieved and the lessons learned from the HOPE VI program, the Choice Neighborhoods Program employs a comprehensive approach to community development centered on housing transformation. The program aims to transform neighborhoods of poverty into viable mixed-income neighborhoods with access to economic opportunities by revitalizing severely distressed public and assisted housing and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods grants primarily funds the transformation of public and/or HUD-assisted housing developments through preservation, rehabilitation, and management improvements as well as demolition and new construction. In addition, these funds can be used on a limited basis (and combined with other funding) for improvements to the surrounding community, public services, facilities, assets and supportive services. Choice Neighborhoods grant funds are intended to catalyze other investments that will be directed toward necessary community improvements. For FY2010 and FY2011, HUD awarded two types of grants for the Choice Neighborhoods Initiative: Planning Grants and Implementation Grants.

(1) Planning Grants enable those communities that are not yet able to fully undertake a successful neighborhood transformation to build the capacity to do so, with the Federal government supporting their endeavors and incentivizing local support. The Planning Grants enable more communities to create a rigorously-developed plan and build support necessary for neighborhood transformation to be successful.

(2) Implementation Grants provide a significant amount of Federal support to those communities that have undergone a comprehensive local planning process and are now moving forward with their "Transformation Plan" to redevelop the neighborhood.

The FY2010 Choice Neighborhoods Planning Grant awards totaled \$4,000,000, and 17 applicants were selected for funding in a competition, the results of which were announced on March 18, 2011. At that time, and in addition to the applicant and Congressional notification processes, the grantees were posted to the HUD Web site at: http://portal.hud.gov/hudportal/HUD?src=/press/press_releases_media_advisories/2011/HUD_No.11-032 and <http://portal.hud.gov/>
