Title: Qualitative Testing of Mortgage Servicing Related Model Forms and Disclosures.

OMB Number: 3170-0018.

Abstract: The Bureau seeks to allow for qualitative testing of mortgage servicing related model forms and disclosures. The research will result in the development of, and revisions to, proposed and final model forms and disclosures provided to consumers in connection with mortgage loan obligations after origination. The research activities will be conducted primarily by an external contractor employing cognitive psychological testing methods. This approach has been demonstrated to be feasible and valuable by the CFPB and other agencies in developing disclosures and other forms. The planned research activities will be conducted during FY 2012-2013 with the goal of creating effective disclosures and related materials for

consumers regarding mortgage loan obligations after origination.

Current Actions: There is no change in the paperwork burden previously approved by OMB. This form is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals and Households.

Estimated Number of Responses: 396.

Estimated Time per Respondent: 16 minutes.

Estimated Total Annual Burden Hours: 108.

The following paragraph applies to all of the collections of information covered by this notice:
