Foreign-Trade Zones Board

[B-35-2012]

Foreign-Trade Zone 220—Sioux Falls, SD; Application for Reorganization and Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Sioux Falls Development Foundation, grantee of FTZ 220, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 7, 2012.

FTZ 220 was approved by the Board on April 8, 1997 (Board Order 882, 62 FR 18740, 04/17/1997). The current zone project includes the following sites: *Site 1* (130 acres)—Joe Foss Field, 2801 Jaycee Lane, Sioux Falls; *Site 2* (123 acres)—Sioux Falls Development Foundation Park III, 4th Avenue North, Sioux Falls; *Site 3* (115 acres)—Sioux Falls Development Foundation Park IV, East Benson Road and Interstate 229, Sioux Falls; *Site 4* (7 acres, 2 parcels)—Burns Moving & Storage Facility, 4205

North 4th Avenue and North 2nd Avenue and 54th Street, Sioux Falls; *Site 5* (7 acres, 2 parcels)—Parker Transfer and Storage, Inc., 1700 F Avenue and 3703 West Tickman Street, Sioux Falls; and, *Site 6* (10 acres)—Nordica Warehouse, Inc., 801 South 6th Avenue, Sioux Falls.

The grantee’s proposed service area under the ASF would be Bon Homme, Brookings, Clay, Davison, Duel, Hamlin, Hanson, Hutchinson, Kingsbury, Lake, Lincoln, McCook, Miner, Minnehaha, Moody, Sanborn, Turner, Union and Yankton Counties, South Dakota, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is within and adjacent to the Sioux Falls U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include existing Sites 1-3 as “magnet” sites and existing Site 4-6 as “usage-driven” sites. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 2 be so exempted. As part of the reorganization under the ASF, the applicant is requesting authority to remove a non-contiguous parcel from Site 5 to create a new usage-driven site: *Proposed Site 7* (3.3 acres)—Parker Transfer and Storage, Inc., 3703 West Tickman Street, Sioux Falls. The applicant is also requesting approval of the following “usage-driven” site: *Proposed Site 8* (15.03 acres)—Rosenbauer America, LLC/Rosenbauer South Dakota, LLC, 100 Third Street, Lyons, South Dakota.

In accordance with the Board’s regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is July 10, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to July 25, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington,

DC 20230-0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482-2350.

Dated: May 7, 2012.

Elizabeth Whiteman,

Acting Executive Secretary.

Lightweight Thermal Paper From the People’s Republic of China: Rescission of the 2010-2011 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 11, 2012.

FOR FURTHER INFORMATION CONTACT: Lindsey Novom and Brendan Quinn, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5256 and (202) 482-5848, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2011, the Department of Commerce (“Department”) published a notice of opportunity to request an administrative review of the antidumping duty order on lightweight thermal paper from the People’s Republic of China (“PRC”).¹ The period of review (“POR”) is November 01, 2010, through October 31, 2011. On November 30, 2011, in accordance with 19 CFR 351.213(b), the Department received a timely request from Appleton Papers, Inc. (“Petitioner”) to conduct an administrative review of Shanghai Hanhong Paper Co., Ltd. and Hanhong International Limited (collectively “Hanhong”) and Guangdong Guanhao High-Tech Co., Ltd. (“Guanhao”). In this case, there were no other requests for an administrative review by any other party.

Pursuant to this request, the Department published a notice of the initiation of the administrative review of

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 76 FR 67413 (November 1, 2011).

the antidumping duty order on LWTP from the PRC for the POR.²

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, on March 29, 2012, Petitioner timely withdrew its request for a review, and no other interested party requested a review of Hanhong or Guanhao. Therefore, the Department is rescinding the administrative review of the antidumping duty order on lightweight thermal paper from the PRC covering the period November 01, 2010, through October 31, 2011, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Pursuant to 19 CFR 351.402(f)(3), failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305 and as explained in the APO itself. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations

and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: May 4, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

I. Abstract

This request is for extension of a current information collection.

The International Billfish Angler Survey began in 1969 and is an integral part of the Billfish Research Program at the National Oceanic and Atmospheric Administration’s (NOAA) Southwest Fisheries Science Center (SWFSC). The survey tracks recreational angler fishing catch and effort for billfish in the Pacific and Indian Oceans in support of the Pacific and Western Pacific Fishery Management Councils, authorized

under the Magnuson-Stevens Fishery Management and Conservation Act (MSA). The data are used by scientists and fishery managers to assist with assessing the status of billfish stocks. The survey is intended for anglers cooperating in the Billfish Program and is entirely voluntary. This survey is specific to recreational anglers fishing for Istiophorid and Xiphiid billfish in the Pacific and Indian Oceans; as such it provides the only estimates of catch per unit of effort for recreational billfish fishing in those areas.

II. Method of Collection

The paper form is sent to anglers with recent participation in the SWFSC Billfish Research Program and is also available for downloading on the SWFSC Billfish Program Web site. Completed forms are submitted by mail.
