Subsection 8(p)(3) of the OCS Lands Act requires that OCS renewable energy leases, easements, and rights-of-way be issued "on a competitive basis unless the Secretary determines after public notice of a proposed lease, easement, or right-of-way that there is no competitive interest." The authority to make such determinations has been delegated to BOEM.

2. Determination and Next Steps

This DNCI provides notice to the public that BOEM has determined there

is no competitive interest in the proposed ROW grant area, as no indications of competitive interest were submitted in response to the RFCI.

In the RFCI, BOEM also solicited public comment on site conditions and multiple uses within the ROW grant area that would be relevant to the proposed project or its impacts. BOEM received public comment submissions from 56 parties in response. The comments received in response to the RFCI will be used to inform BOEM in subsequent agency decisions. After the publication of this DNCI, BOEM will proceed with the noncompetitive ROW grant process outlined at 30 CFR 585.306(b).
