SUPPLEMENTARY INFORMATION:

I. Background

ETA seeks a regular extension of OMB’s approval to collect individual applicant data for the Veterans Retraining Assistance Program (VRAP) as part of the VOW to Hire Heroes Act of 2011 (Pub. L. 112–56), enacted November 21, 2011. The Act directs the Department of Veterans Affairs (VA), in cooperation with the DOL, to pay for up to 12 months of a training program in a high demand occupation for unemployed eligible veterans. The program is to serve up to 45,000 veterans in Fiscal Year (FY) 2012, beginning July 1, 2012, and up to 54,000 veterans from October 1, 2012, through March 31, 2014.

The VRAP provides the benefit to veterans who fulfill the following eligibility criteria: As of date of application, is at least 35 years old and less than 60; discharged from active duty under conditions other than dishonorable; is unemployed as of date of application; is not eligible to receive other educational assistance from the VA; is not in receipt of compensation for a service-connected disability rated totally disabling by reason of unemployment; was not and is not enrolled in any Federal or state job training program within the previous 180 days; and, the application must be submitted not later than October 1, 2013.

The VA is responsible for determining the following eligibility criteria: Discharged from active duty under conditions other than dishonorable; is not eligible to receive other educational assistance from the VA; is not in receipt of compensation for a service-connected disability rated totally disabling by reason of unemployment. The VA will be collecting information required for their eligibility criteria through the “Application for VA Educational Benefits” (OMB Control Number 2900–0154, VA Form 22–1900). The DOL is required to determine whether each veteran applying for the program is between 35 and 60 years old, is unemployed as of the date of the application, has not and is not enrolled in a Federal or state job training program within 180 days of the application, and has applied for the program no later than October 1, 2013. The DOL is proposing to determine its eligibility requirements by collecting individual applicant data. The data will be linked to the VA’s Veterans On-Line Application (VONAPP, VA Form 22–1900) to complete the application. The VA will transmit reports to the DOL about the completion status of the veterans, so that the DOL can make contact with the veteran to offer employment services.

The Department is particularly interested in comments which:
