Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Reinstatement without change of a previously approved collection; *Title of Information Collection:* Health Insurance Common Claims Form and Supporting Regulations at 42 CFR part 424, Subpart C; *Use:* The Form CMS-1500 answers the needs of many health insurers. It is the basic form prescribed by CMS for the Medicare program for

¹³ In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request, and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c), 16 CFR 4.9(c).

claims from physicians and suppliers. The Medicaid State Agencies, CHAMPUS/TriCare, Blue Cross/Blue Shield Plans, the Federal Employees Health Benefit Plan, and several private health plans also use it; it is the de facto standard "professional" claim form.

Medicare carriers use the data collected on the CMS-1500 and the CMS-1490S to determine the proper amount of reimbursement for Part B medical and other health services (as listed in section 1861(s) of the Social Security Act) provided by physicians and suppliers to beneficiaries. The CMS-1500 is submitted by physicians/suppliers for all Part B Medicare. Serving as a common claim form, the CMS-1500 can be used by other third-party payers (commercial and nonprofit health insurers) and other Federal programs (e.g., CHAMPUS/TriCare, Railroad Retirement Board (RRB), and Medicaid).

However, as the CMS-1500 displays data items required for other third-party payers in addition to Medicare, the form is considered too complex for use by beneficiaries when they file their own claims. Therefore, the CMS-1490S (Patient's Request for Medicare Payment) was explicitly developed for easy use by beneficiaries who file their own claims. The form can be obtained from any Social Security office or Medicare carrier. *Form Number:* CMS-1500(08/05), CMS-1490-S (OMB#: 0938-0999); *Frequency:* Reporting—On occasion; *Affected Public:* State, Local, or Tribal Government, Business or other-for-profit, Not-for-profit institutions; *Number of Respondents:* 1,448,346; *Total Annual Responses:* 988,005,045; *Total Annual Hours:* 21,418,336. (For policy questions regarding this collection contact Brian Reitz at 410-786-5001. For all other issues call 410-786-1326.)

2. Type of Information Collection Request: New collection; *Title of Information Collection:* Health Insurance Common Claims Form and Supporting Regulations at 42 CFR part 424, Subpart C; *Use:* The Form CMS-1500 answers the needs of many health insurers. It is the basic form prescribed by CMS for the Medicare program for claims from physicians and suppliers. The Medicaid State Agencies, CHAMPUS/TriCare, Blue Cross/Blue Shield Plans, the Federal Employees Health Benefit Plan, and several private health plans also use it; it is the de facto standard "professional" claim form.

Medicare carriers use the data collected on the CMS-1500 and the CMS-1490S to determine the proper amount of reimbursement for Part B medical and other health services (as

listed in section 1861(s) of the Social Security Act) provided by physicians and suppliers to beneficiaries. The CMS-1500 is submitted by physicians/suppliers for all Part B Medicare. Serving as a common claim form, the CMS-1500 can be used by other third-party payers (commercial and nonprofit health insurers) and other Federal programs (e.g., CHAMPUS/TriCare, Railroad Retirement Board (RRB), and Medicaid).

However, as the CMS-1500 displays data items required for other third-party payers in addition to Medicare, the form is considered too complex for use by beneficiaries when they file their own claims. Therefore, the CMS-1490S (Patient's Request for Medicare Payment) was explicitly developed for easy use by beneficiaries who file their own claims. The form can be obtained from any Social Security office or Medicare carrier.

Most recently, the National Uniform Claim Committee (NUCC) has revised the CMS-1500. The NUCC began revision work on the 1500 Claim Form, version 02/12 in 2009. The goal of this work was to align the paper form with some of the changes in the electronic Health Care Claim: Professional (837), 005010X222 Technical Report Type 3 (5010) and 005010X222A1 Technical Report Type 3 (5010A1). During the revision work, consideration was given to different approaches to revising the form. The NUCC decided to proceed with making "minor changes" to the current form, which was defined as no physical changes to the existing form lines or underlying layout of the form. Once the CMS-1500 (02/12) has been approved, the CMS-1500 (08/05) will be discontinued after a form runoff period during which both the CMS-1500 (08/05) and the CMS-1500 (02/12) can be used. *Form Number:* CMS-1500(02/12), CMS-1490-S (OMB#: 0938-New); *Frequency:* Reporting—On occasion; *Affected Public:* State, Local, or Tribal Government, Business or other-for-profit, Not-for-profit institutions; *Number of Respondents:* 1,448,346; *Total Annual Responses:* 988,005,045; *Total Annual Hours:* 21,418,336. (For policy questions regarding this collection contact Brian Reitz at 410-786-5001. For all other issues call 410-786-1326.)
