I. Abstract

The Assistant Secretary—Indian Affairs is seeking comments on a survey instrument to collect information for the American Indian Population and Labor Force Report, as required by the Paperwork Reduction Act of 1995. The Indian Employment, Training and Related Services Demonstration Act of 1992, as amended, requires the Secretary to develop, maintain and

publish, not less than biennially, a report on the population by gender, age, availability for work, and employment. The survey instrument is being revised to include updated instructions and additional questions that are consistent with the definitions of standard measures of population and employment, as defined in the Federal Statistical System, to represent an accurate report. The proposed revisions will be published in a subsequent **Federal Register** notice.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personally identifiable information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
