This SAB panel will provide advice, through the chartered SAB, to the Administrator related to the development of an MCLG for perchlorate. The Panel will discuss its advice at the public meeting on July 18–19, 2012 and will discuss its draft report on a subsequent public teleconference call on September 25, 2012.

**Availability of Meeting Materials:** Prior to the meeting, the review documents, agenda and other materials will be accessible through the calendar link on the blue navigation bar at <http://www.epa.gov/sab/>.

**Procedures for Providing Public Input:** Public comment for consideration by EPA’s federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Interested members of the public may submit relevant written or oral information on the topic of this advisory activity, and/or the group conducting the activity, for the SAB to consider during the advisory process. Input from the public to the SAB will have the most impact if it provides specific scientific or technical information or analysis for SAB committees to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should contact the DFO directly. **Oral Statements:** In general, individuals or groups requesting an oral presentation at a face-to-face public meeting will be limited to five minutes. Parties interested in providing oral statements at the face-to-face meeting should contact Mr. Thomas Carpenter, DFO, in writing (preferably via email) at the contact information noted above by July 10, 2012 to be placed on the list of public speakers for the face-to-face meeting. Parties interested in providing oral statements at the follow-up teleconference should contact Mr. Carpenter by Wednesday September 19, 2012. **Written Statements:** Written statements for the face-to-face meeting should be supplied to the DFO via email

at the contact information noted above by Tuesday, July 10, 2012 so that the information may be made available to the Panel members for their consideration. Written statements for the follow-up teleconference should be supplied to the DFO by Wednesday September 19, 2012. Written statements should be supplied in one of the following electronic formats: Adobe Acrobat PDF, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format. It is the SAB Staff Office general policy to post written comments on the Web page for the advisory meeting or teleconference. Submitters are requested to provide an unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its Web sites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the SAB Web site. Copyrighted material will not be posted without explicit permission of the copyright holder.

**Accessibility:** For information on access or services for individuals with disabilities, please contact Mr. Thomas Carpenter at (202) 564-4885 or [carpenter.thomas@epa.gov](mailto:carpenter.thomas@epa.gov). To request accommodation of a disability, please contact Mr. Carpenter preferably at least ten days prior to the face-to-face meeting or follow-up teleconference to give EPA as much time as possible to process your request.
