AGENCY: Office of Small and Disadvantaged Business Utilization (OSDBU), Office of the Secretary of Transportation (OST), DOT.

ACTION: Notice of request for comments.

SUMMARY: The OSDBU invites the public to comment about our intention to request the Office of Management and Budget’s (OMB) approval to renew an information collection. The collection involves the use of the SBTRC Regional Field Offices Intake Form (DOT F 4500) and the SBTRC Regional Field Offices Quarterly Report Form (DOT F 4502).

On January 31, 2012, OSDBU published a 60-day notice in the Federal Register (Vol. 77, No. 20) (Formerly Docket Number DOT–OST–2008–0182), informing the public of OSDBU’s intention to extend an approved information collection. The collection involves the use of the Regional Field Offices Intake Form (DOT F 4500), which documents the type of assistance provided to each small business that is enrolled in the program database. The use of the Regional Field Office Quarterly Report Form (DOT F 4502) highlights activities such as counseling, marketing, meetings/conferences, and services to businesses as completed during the quarter. The Quarterly Report Form provides a more composite and comprehensive review of the Field Offices over a longer time frame.

Type of Review: Extension of a Currently Approved Collection of Information.

Abstract: In accordance with Public Law 95–507, an amendment to the Small Business Investment Act of 1953, OSDBU is responsible for the implementation and execution of DOT activities on behalf of small businesses, in accordance with Sections 8, 15 and 31 of the Small Business Act (SBA), as amended. The Office of Small and Disadvantaged Business Utilization also administers the provisions of Title 49, of the United States Code, Section 332, the Minority Resource Center (MRC) which includes the duties of advocacy, outreach, and financial services on behalf of small and disadvantaged businesses and those certified under CFR 49 parts 23 and or 26 as Disadvantaged Business Enterprises (DBE).

SBTRC’s Regional Field Offices will collect information on small businesses, which includes Disadvantaged Business Enterprise (DBE), Women-Owned Small Business (WOB), Small Disadvantaged Business (SDB), 8(a), Service Disabled Veteran Owned Business (SDVOB), Veteran Owned Small Business (VOSB), HubZone, and types of services they seek from the Regional Field Offices. Services and responsibilities of the Field Offices include business analysis, general management and technical assistance and training, business
counseling, outreach services/conference participation, short-term loan and bond assistance. The cumulative data collected will be analyzed by the OSDBU to determine the effectiveness of services provided, including counseling, outreach, and financial services. Such data will also be analyzed by the OSDBU to determine agency effectiveness in assisting small businesses to enhance their opportunities to participate in government contracts and subcontracts.

The Regional Field Offices Intake Form (DOT F 4500) is used to enroll small business clients into the program in order to create a viable database of firms that can participate in government contracts and subcontracts, especially those projects that are transportation related. Each area on the fillable pdf form must be filled in electronically by the Field Offices and submitted every quarter to OSDBU. The Offices will retain a copy of each Intake Form for their records. The completion of the form is used as a tool for making decisions about the needs of the business, such as: referral to technical assistance agencies for help, identifying the type of profession or trade of the business, the type of certification that the business holds, length of time in business, and location of the firm. This data can assist the Field Offices in developing a business plan or adjusting their business plan to increase its ability to market its goods and services to buyers and potential users of their services.
