The GNEB provides guidance to the President on environmental and infrastructure issues along the U.S.-Mexico border in the form of an annual report and through advice letters. Although we are unable to offer compensation or an honorarium for your services, you may receive travel and per diem allowances, according to applicable federal travel regulations. The GNEB is seeking nominations from a variety of nongovernmental interests along the U.S.-Mexico border from the private sector, academia, environmental groups, health groups, ranching and grazing, energy, and other relevant sectors. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The following criteria will be used to evaluate nominees:

- Representative of a sector or group that helps to shape border-region environmental policy or representatives of a group that is affected by border region environmental policy.
- Has extensive professional knowledge and experience with the particular issues that the GNEB examines (i.e., environmental and infrastructure issues along the U.S.-Mexico border), including the bi-national dimension of these issues.

- Possesses a demonstrated ability to work in a consensus building process with a wide range of representatives from diverse constituencies.
- Ability to contribute approximately 10 to 15 hours per month to the GNEB's activities, including face-to-face meetings, conference calls, and participation in the development of the GNEB's annual report to the President and comment letters.
- Nominees may self nominate by submitting a resume describing their professional and educational qualifications, including current business address, email, and daytime telephone number.
- All nominees must demonstrate the potential for active and constructive involvement in the GNEB's work.

To help the Agency in evaluating the effectiveness of its outreach efforts, please tell us how you learned of this opportunity.

Please be aware that EPA's policy is that, unless otherwise prescribed by statute, members generally are appointed to two- or three-year terms.

Proposed Project: Let's Move! Cities, Towns, and Counties—OMB No. 0990-0388—Extension—Office of the Assistant Secretary for Planning and Evaluation (ASPE).

Abstract: The Office of the Assistant Secretary for Planning and Evaluation (ASPE) is requesting an extension from the Office of Management and Budget (OMB) to conduct a survey of public sector organizations for the *Let's Move!* Cities, Towns and Counties Initiative. *Let's Move!* is a comprehensive initiative, launched by the First Lady, dedicated to solving the challenge of childhood obesity within a generation. Combining comprehensive strategies with common sense, *Let's Move!* is about:

- Putting children on the path to a healthy future during their earliest months and years;
- Giving parents helpful information and fostering environments that support healthy choices;
- Providing healthier foods in our schools;
- Ensuring that every family has access to healthy, affordable food; and
- Helping kids become more physically active.

Let's Move! Cities, Towns, and Counties emphasizes the unique ability of communities to solve the challenge locally, and the critical leadership mayors and elected officials can provide to bring communities together and spur action. The initiative is designed to encourage mayors and elected officials to adopt a long-term, sustainable and holistic approach to fighting childhood obesity.

This activity is requesting comment on the burden for a baseline survey for local or county officials who have chosen to participate in *Let's Move!* Cities, Towns, and Counties. The survey requests information about the activities the locality is choosing to undertake. The responses to these questions will be used to show progress and successes over time for localities participating in *Let's Move!* Cities, Towns, and Counties. Separate notices will be published for subsequent surveys.
