

completion of any such transaction, the client must be furnished with a written confirmation containing specified information and offering to furnish upon request certain additional information; and (3) at least annually, the client must be furnished with a written statement or summary as to the total number of transactions during the period covered by the consent and the total amount of commissions received by the adviser or its affiliated broker-dealer attributable to such transactions.

The Commission estimates that approximately 550 respondents use the rule annually, necessitating about 32 responses per respondent each year, for a total of 17,600 responses. Each response requires an estimated 0.5 hours, for a total of 8,000 hours. The estimated average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or representative survey or study of the cost of Commission rules and forms.

This collection of information is found at 17 CFR 275.206(3)-2 and is necessary in order for the investment adviser to obtain the benefits of Rule 206(3)-2. The collection of information requirements under the rule is mandatory. Information subject to the disclosure requirements of Rule 206(3)-2 does not require submission to the Commission; and, accordingly, the disclosure pursuant to the rule is not kept confidential.

Commission-registered investment advisers are required to maintain and preserve certain information required under Rule 206(3)-2 for five (5) years. The long-term retention of these records is necessary for the Commission's inspection program to ascertain compliance with the Advisers Act.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rules 8b-1 to 8b-33; SEC File No. 270-135; OMB Control No. 3235-0176.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rules 8b-1 to 8b-33 (17 CFR 270.8b-1 to 8b-33) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") were adopted to standardize the mechanics of registration under the Investment Company Act and to provide more specific guidance for persons registering under the Investment Company Act than the information contained in the statute. For the most part, these procedural rules do not require the disclosure of information. Two of the rules, however, require limited disclosure of information.¹ The information required by the rules is necessary to ensure that investors have clear and complete information upon which to base an investment decision. The Commission uses the information that investment companies provide on registration statements in its regulatory, disclosure review, inspection and policy-making roles. The respondents to the collection of information are investment companies filing registration

statements under the Investment Company Act.

The Commission does not estimate separately the total annual reporting and recordkeeping burden associated with rules 8b-1 to 8b-33 because the burden associated with these rules are included in the burden estimates the Commission submits for the investment company registration statement forms (*e.g.*, Form N-1A (17 CFR 239.15A and 274.11A), Form N-2 (17 CFR 239.14 and 274.11a-1), Form N-3 (17 CFR 239.17a and 274.11b), Form N-4 (17 CFR 239.17b and 274.11c), and Form N-6 (17 CFR 239.17c and 274.11d)). For example, a mutual fund that prepares a registration statement on Form N-1A must comply with the rules under Section 8(b), including rules on riders, amendments, the form of the registration statement, and the number of copies to be submitted. Because the fund only incurs a burden from the Section 8(b) rules when preparing a registration statement, it would be impractical to measure the compliance burden of these rules separately. The Commission believes that including the burden of the Section 8(b) rules with the burden estimates for the investment company registration statement forms provides a more accurate and complete estimate of the total burdens associated with the registration process. For administrative purposes, however, we are requesting approval for an information collection burden of one hour per year. This estimate of burden hours is not derived from a comprehensive or necessarily even representative study of the cost of the Commission's rules and forms.

Investment companies seeking to register under the Investment Company Act are required to provide the information specified in rules 8b-1 to 8b-33 if applicable. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site: www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an email

¹ Rule 8b-3 (17 CFR 270.8b-3) provides that whenever a registration form requires the title of securities to be stated, the registrant must indicate the type and general character of the securities to be issued. Rule 8b-22 (17 CFR 270.8b-22) provides that if the existence of control is open to reasonable doubt, the registrant may disclaim the existence of control, but it must state the material facts pertinent to the possible existence of control.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67066; File No. SR-NYSEArca-2012-46]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding the Extension of Unlisted Trading Privileges to New Derivative Securities Products That Are Listed on Another Exchange and To Make Other Conforming and Technical Amendments

May 29, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on May 16, 2012, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a rule change under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 5.1(a) to set forth rules regarding the extension of unlisted trading privileges ("UTP") to a new derivative securities product that is listed on another exchange and to make other conforming and technical amendments. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text

of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 5.1(a) to set forth rules regarding the extension of UTP to a new derivative securities product⁵ that is listed on another exchange and to make other technical and conforming amendments. The purpose of the proposed rule change is to amend the Exchange's rules to consolidate into a single rule certain requirements for trading products on the Exchange pursuant to UTP that have been established in various new product proposals previously approved by the Commission.

Under current NYSE Arca Equities Rule 5.1, only listed or UTP securities may be dealt in on the Corporation. Securities may be listed or admitted to UTP on a "when issued" or "when distributed" basis. The Exchange proposes to clarify the Rule by putting the current text of the Rule in a new subparagraph (a)(1) and adding text to note that a security must be eligible for UTP under Section 12(f) of the Securities Exchange Act of 1934 (the "Act"). The Exchange also proposes to add text that would provide that unlisted trading privileges may be extended to any security that is an NMS Stock (as defined in Rule 600 of Regulation NMS under the Act) that is listed on another national securities exchange and any such security would be subject to all the Exchange trading rules applicable to NMS Stocks, unless otherwise noted.

The Exchange proposes to add a new Rule 5.1(a)(2) to govern new derivative securities products. Any new derivative securities product would be subject to all Exchange trading rules applicable to equity securities, unless otherwise noted. Under proposed NYSE Arca Equities Rule 5.1(a)(2)(i), the Exchange would file a Form 19b-4(e) with the Commission for any security that is a

⁵ A "new derivative securities product" means any type of option, warrant, hybrid securities product or any other security, other than a single equity option or a security futures product, whose value is based, in whole or in part, upon the performance of, or interest in, an underlying instrument.
