**SUPPLEMENTARY INFORMATION:****Case History**

On December 29, 2011, the Department received a countervailing duty (CVD) petition concerning imports of garment hangers from Vietnam filed in proper form by M&B Metal Products Company, Inc., Innovative Fabrication LLC/Indy Hanger, and US Hanger Company, LLC (collectively, petitioners).<sup>3</sup> The Department initiated an investigation on January 18, 2012.<sup>4</sup> In the *Initiation*, the Department stated that it intended to rely on data from U.S. Customs and Border Protection (CBP) for purposes of selecting the mandatory respondents.<sup>5</sup> On January 18, 2012, the Department released the results of a query performed on the CBP's database for calendar year 2011.<sup>6</sup> Due to the large number of producers and exporters of garment hangers in Vietnam, we determined that it was not practicable to individually investigate each producer and/or exporter. We, therefore, selected the following two producers and/or exporters of garment hangers to be mandatory respondents: Infinite and SEA Hamico, the largest publicly identifiable producers and/or exporters of the subject merchandise.<sup>7</sup> On February 10, 2012, we issued the initial CVD questionnaire to the Government of the Vietnam (GOV) and the selected mandatory respondents. We also issued a confirmation of shipment questionnaire on the same date to Infinite and SEA Hamico.

On February 14, 2012, Infinite and SEA Hamico confirmed that they shipped subject merchandise to the United States during the period of investigation (POI). On March 2, 2012, the Department postponed the deadline
