Proposed Project: Children's Health Insurance Program Reauthorization Act (CHIPRA) 10-State Evaluation, Telephone Interviews with State CHIP Program Administrators—OMB No. 0990–NEW—Assistant Secretary for Planning and Evaluation.

Abstract: The Office of the Assistant Secretary for Planning and Evaluation (ASPE) is requesting the Office of Management and Budget (OMB) approval on a new collection to interview Children's Health Insurance Program (CHIP) administrators in all 50 States and the District of Columbia. These roughly 1 hour interviews, conducted by phone, will focus on understanding changes in the CHIP program since 2006, the role the CHIP Reauthorization Act (CHIPRA) of 2009 (Pub. L. 111–3) has played in influencing State CHIP programs, preparations for implementing the Patient Protection and Affordable Care Act of 2010 (Pub. L. 111–148), and State views on the future of CHIP. Going beyond facts and basic descriptive information, it will gather insights about the rationale behind State decisions and about issues requiring future attention. The information gathered will supplement two other data collection efforts which received clearance on December 12, 2011 (a survey of CHIP and Medicaid enrollees and disenrollees and case studies in 10 states, reference number 201110–0990–006, OMB control number 0990–0384). Data will only be collected once from the CHIP program administrators. We are seeking a 1 year approval period.
