SUPPLEMENTARY INFORMATION: The USFS has filed an application requesting that the Secretary of the Interior extend PLO No. 7393 (64 FR 29064 (1999)), which withdrew 600 acres of National Forest System land in the Chugach National Forest from location and entry under the United States mining laws, for an additional 15-year term, subject to valid existing rights. PLO No. 7393 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to continue the protection of the USFS Spencer Glacier Material Site in order to make high quality rock and gravel available to nearby communities for private and public works projects.

A complete description, along with all other records pertaining to the extension, can be examined in the BLM Alaska State Office at the address shown above.

As extended, the withdrawal would not alter the applicability of those public land laws governing the use of land under lease, license, or permit or governing the disposal of the mineral or vegetative resources other than under the mining laws.

The use of a right-of-way or interagency or cooperative agreement would not adequately protect the Federal interest in the Spencer Glacier Material Site.

No water rights would be needed to fulfill the purpose of the requested withdrawal extension.

For a period until September 4, 2012, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM Alaska

State Director at the address indicated above. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the BLM Alaska State Director at the address indicated above by September 4, 2012. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

The withdrawal extension application will be processed in accordance with the regulations set forth in 43 CFR 2310.4 and subject to Section 810 of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3120).

Authority: 43 CFR 2310.3-1(b).
