

The following safety zone will be enforced from 5:00 p.m. on July 7, 2012 through 1:00 a.m. on July 8, 2012:

| Event name | Location | Latitude | Longitude | Radius |
|---------------------------------|---------------------|--------------|---------------|----------|
| Mercer Island Celebration | Mercer Island | 47°35.517' N | 122°13.233' W | 450 yds. |

The following safety zone will be enforced from 5:00 p.m. on July 27, 2012 through 1:00 a.m. on July 28, 2012:

| Event name | Location | Latitude | Longitude | Radius |
|--------------------|------------------|-------------|--------------|----------|
| Whaling Days | Dyes Inlet | 47°38.65' N | 122°41.35' W | 450 yds. |

The following safety zone will be enforced from 5:00 p.m. on August 11, 2012 through 1:00 a.m. on August 12, 2012:

| Event name | Location | Latitude | Longitude | Radius |
|-------------------|-------------------|--------------|-------------|----------|
| Medina Days | Medina Park | 47°36.867' N | 122°14.5' W | 300 yds. |

The special requirements listed in 33 CFR 165.1332, which can be found in the **Federal Register** (75 FR 33698) published on June 15, 2010, apply to the activation and enforcement of these safety zones.

All vessel operators who desire to enter the safety zone must obtain permission from the Captain of the Port or Designated Representative by contacting either the on-scene patrol craft on VHF Ch 13 or Ch 16 or the Coast Guard Sector Puget Sound Joint Harbor Operations Center (JHOC) via telephone at (206) 217-6002.

The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

This notice is issued under authority of 33 CFR 165.1332 and 5 U.S.C. 552(a). In addition to this notice, the Coast Guard will provide the maritime community with extensive advanced notification of the safety zones via the Local Notice to Mariners and marine information broadcasts on the day of the events.

Dated: May 22, 2012.

S.J. Ferguson,

Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2012-0347]

RIN 1625-AA00

Safety Zone; Race on the Lake, Onondaga Lake, Syracuse, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Onondaga Lake, Syracuse, NY. This safety zone is intended to restrict vessels from a portion of Onondaga Lake during the Race on the Lake powerboat races. This temporary safety zone is necessary to protect participants, spectators, and vessels from the hazards associated with hydroplane and powerboat races.

DATES: This rule is effective between 8:30 a.m. and 6:30 p.m. on June 15-17, 2012.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket USCG-2012-0347 and are available online by going to <http://www.regulations.gov>, inserting USCG-2012-0347 in the "Keyword" box, and then clicking "Search." This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590,

between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; telephone 716-843-9343, email SectorBuffaloMarineSafety@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

A. Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public

interest because it would inhibit the Coast Guard's ability to protect spectators and vessels from the hazards associated with a power boat race, which are discussed further below.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for 30 day notice period run would also be impracticable and contrary to the public interest.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish regulated navigation areas and other limited access areas: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

The purpose of the rule is to protect the public and vessels from the hazards associated with power boat races. Between 9:00 a.m. and 6:00 p.m. on June 15-17, 2012 a series of hydroplane and powerboat races will take place on Onondaga Lake near Syracuse, NY. The Captain of the Port Buffalo has determined that hydroplane and powerboat races create a significant risk of collisions between participants and the boating public.

C. Discussion of the Final Rule

With the aforementioned risks in mind, the Captain of the Port Buffalo has determined that this temporary safety zone is necessary to ensure the safety of participants and the boating public during the Race on the Lake.

The safety zone will be effective and enforced from 8:30 a.m. until 6:30 p.m. on June 15-17, 2012.

The safety zone will encompass all waters of Onondaga Lake, Syracuse, NY starting from position 43°6'49.63" N and 76°14'8.82" W then South East to 43°6'9.79" N and 76°13'5.07" W then West to 43°5'57.22" N and 76°13'33.64" W then North to 43°6'44.01" N and 76°14'28.24" W then returning to the point of origin to form a square (NAD 83).

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene

representative may be contacted via VHF Channel 16.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced for relatively short time. Also, the safety zone is designed to minimize its impact on navigable waters. Furthermore, the safety zone has been designed to allow vessels to transit around it. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule will have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This temporary final rule may affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Onondaga Lake, Syracuse, NY between 8:30 a.m. and 6:30 p.m. on June 15-17, 2012.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: this rule will be in effect for approximately ten hours each day in an area with low commercial vessel traffic. Also, in the event that this temporary safety zone affects shipping, commercial vessels may request permission from the Captain of the Port Buffalo to transit through the safety zone. Additionally, the Coast Guard will give advanced notice to the public via a local Broadcast Notice to Mariners that the regulation is in effect. Moreover, the COTP will suspend enforcement of the safety zone if the event for which the zone is established ends earlier than the expected time.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offer to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness.

If this rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; email SectorBuffaloMarineSafety@uscg.mil; telephone 716-843-9343. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and will not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it will not have a substantial

direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34) (g), of the Instruction. Because it involves the establishment of a safety zone, a final environmental analysis checklist and a preliminary categorical

exclusion determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09–0347 to read as follows:

§ 165.T09–0347 Safety Zone; Race on the Lake, Onondaga Lake, Syracuse, NY.

(a) *Location.* The safety zone will encompass all waters of Onondaga Lake, Syracuse, NY starting from position 43°6′49.63″ N and 76°14′8.82″ W then South East to 43°6′9.79″ N and 76°13′5.07″ W then West to 43°5′57.22″ N and 76°13′33.64″ W then North to 43°6′44.01″ N and 76°14′28.24″ W then returning to the point of origin to form a square. (NAD 83)

(b) *Effective and Enforcement Period.* This regulation is effective and will be enforced from 8:30 a.m. to 6:30 p.m. on June 15–17, 2012.

(c) *Regulations.*

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The “*on-scene representative*” of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. The Captain of the

Port Buffalo or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Buffalo, or his on-scene representative.

Dated: May 16, 2012.

S.M. Wischmann,

Captain, U.S. Coast Guard, Captain of the Port Buffalo.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2012-0462]

RIN 1625-AA00

Safety Zone; Marine Week Cleveland, Lake Erie, Cleveland, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Lake Erie and Cleveland Harbor at Burke Lakefront Airport, Cleveland, Ohio. This safety zone is intended to restrict vessels from a portion of Lake Erie and Cleveland Harbor near Burke Lakefront Airport. This temporary safety zone is necessary to protect participants, spectators, and vessels from the hazards associated with aerial insertions and aircraft maneuvers.

DATES: This rule is effective from 10 a.m. on June 15, 2012 until 3:30 p.m. on June 17, 2012.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket USCG-2012-0462 and are available online by going to <http://www.regulations.gov>, inserting USCG-2012-0462 in the "Keyword" box, and then clicking "Search." This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; telephone 716-843-9343, email

SectorBuffaloMarineSafety@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard's ability to protect spectators and vessels from the hazards associated with aerial insertions and aircraft maneuvering, which are discussed further below.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for 30 day notice period run would also be impracticable and contrary to the public interest.

Basis and Purpose

Beginning at 10 a.m. on June 15, 2012, through 3:30 p.m. on June 17, 2012, there will be Marine Air Ground Task Force movement on and over Burke Lakefront to include Recon Insertions (parachuting), and various maneuvers by USMC aircraft and personnel on the Burke Lakefront Airport grounds. A heavy amount of recreational boat traffic is expected for this event. The Captain of the Port Buffalo has determined that the Marines' maneuvers combined with a high concentration of recreational vessels will create significant risks for the boating public.

Discussion of Rule

With the aforementioned risks in mind, the Captain of the Port Buffalo has determined that this temporary safety zone is necessary to ensure the safety of participants and the boating public during the Marine Event. This temporary safety zone will be effective from 10 a.m. on June 15, 2012 until 3:30 p.m. on June 17, 2012. It will be enforced from 10 a.m. to 11:30 a.m. and 3 p.m. to 4:30 p.m. on June 15, 2012, 2 p.m. to 3:30 p.m. on June 16, 2012, and 2 p.m. to 3:30 p.m. on June 17, 2012.

The safety zone will encompass a portion of Lake Erie and Cleveland Harbor near Burke Lakefront Airport from position 41°30'20" N and 081°42'20" W, to 41°30'50" N and 081°42'49" W, to 41°32'09" N and 081°39'49" W, to 41°31'53" N and 081°39'24" W, then return to the original position. (NAD 83).

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene Patrol Commander (PATCOM). Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. Only state, federal, and local vessels will be allowed in the safety zone. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order 12866, or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the
