

activities to further that goal. Given that goal, what competencies are needed for CNCS programs to conduct outreach and recruit people with disabilities to participate in national service programs? What is the best approach for making reasonable accommodations on behalf of all CNCS programs? What are the strategies most likely to lead to greater inclusion of people with disabilities in national service programs? Given the restrictions for collecting information on people with disabilities (other than self-disclosure), how do we track and report the numbers of people with disabilities across CNCS programs?

Conference Calls and Public Input Meeting: CNCS has scheduled two conference calls as follows:

Conference call #1: Monday, June 25 from 4:00–5:00 p.m. ET, call-in number 888–324–4147, participant passcode: POWELL.

Conference call #2: Thursday, June 28 from 12:30–1:30 p.m. ET, call-in number 800–779–1632, participant passcode: 2116663.

CNCS would like to anticipate the number of participants on each call. If you intend to participate, please indicate your intent by sending an email with your name, title, organization, contact information, and which call you will be joining to tta@cns.gov. Transcripts will be available on the CNCS Web site following each call.

The public input listening session will be held on Tuesday, June 19 during the National Conference on Volunteering and Service in Chicago, Illinois at the McCormack Place West at 2301 S. Indiana Avenue from 8:30–10:00 a.m. CNCS would like to anticipate the number of participants. Please send an email indicating your intention to attend the listening session at the National Conference with your name, title, organization, and contact information. We will follow up with a confirmation. Should you not be registered as an attendee for the National Conference you will use this confirmation to secure your admittance. If you are registered for the conference, please go to the conference Web site (www.volunteeringandservice.org), and add session 3336 to your Itinerary.

Also, if you cannot attend the listening session at the National Conference in person, a transcript of the session will be posted on the Web site for online review.

Please check our Web site at <http://www.nationalservice.gov/tta> for further information and updates.

[Docket ID DOD–2012–OS–0063]

Proposed Collection; Comment Request

AGENCY: Defense Security Service, DoD.

ACTION: Notice.

SUMMARY: In compliance with Section 3506 (c) (2) (A) of the *Paperwork Reduction Act of 1995*, the Defense Security Service (DSS) announces a proposed new public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the information to be collected; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received within August 10, 2012.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal Rule Making Portal:* <http://www.regulations.gov>.

Follow the instructions for submitting comments.

- *Mail:* Federal Docket Management System Office 4800 Mark Center Drive, 2nd Floor, East Tower, Suite 02G09 Alexandria, VA 22350–3100.

Instructions: All submissions received must include agency name, docket number, and title for this **Federal Register** document. The general policy of comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed data collection or obtain a copy of the proposal and associated collection instrument, please write to: Defense Security Service, Center for Development of Security Excellence, Attn: Adriene Brown, 938 Elkridge Landing Road; Linthicum, MD 21090, or call Defense Security Service at (410) 865–6040.

Title, Associated Form, and OMB Number: Information Collection in Support of the DSS Security Education, Training, and Professionalization Programs; OMB Control Number 0704–TBD.

Needs and Uses: Pursuant to DoD Instruction (DoDI) 3305.13 (Section 5.2.4 and 5.2.5) and DoD Directive (DoDD) 5105.42 (Section 5.b), the Director of DSS is assigned as the functional manager responsible for the execution and maintenance of DoD security training. The DSS Director, under the authority of the Under Secretary of Defense for Intelligence, is required to:

- “utilize established training and education analysis, design, development, implementation, and evaluation processes to determine the most effective and efficient method of training delivery to include instructor-led, distance learning, blended-learning, job aids, or other means of instruction delivery to meet mission requirements” and
- “develop and conduct assessments and evaluations of DoD security training programs to determine the effectiveness, efficiency, and compliance within the Department of Defense.”

Needs assessment respondents will be asked to voluntarily provide information on organizational goals (e.g., desired performance), training conditions (e.g., technological environment), specific jobs and tasks, types of programs needed, and target audience.

Evaluation respondents will be asked to provide information on their type of organization, level of experience in the subject, relevancy of course to current job, satisfaction with training (e.g., registration, content, quality, delivery, facilities), increase in performance confidence and capability, availability of training, and usefulness of materials and reference documents.

Defense Security Service & Other Federal Government Personnel

Total Annual Burden Hours: 15,384.
Number of Respondents: 67,032
(based on number of FY2011 students
and their supervisors).

Responses per Respondent: 1.
*Average Burden Hours per
Respondent:* .22950.

Frequency: One time and/or on
occasion (e.g., when there is a request to
develop training, when a student has
completed a course, etc.)

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

This effort will collect qualitative
information through needs assessments
and evaluations. Feedback will be used
as guidance for developing and
evaluating DSS security education,
training, and professionalization
programs.

Two information collection efforts are
required. Responses to both collections
are voluntary.

The needs assessment is conducted
prior to the development of training to
collect data that will, in turn, be used
to prescribe an appropriate course of
action in response to a compliance
requirement or to a performance
deficiency that has been identified.
Some of the collection questions are
uniform, while others are unique to the
type of product or service that is being
requested. We request information in
several areas, including: organizational
goals and desired performance, training
conditions, technological environment,
types of jobs and tasks, types of
programs needed, and target audience.

Evaluations are completed after a
course of action has been implemented
to collect data used to gather
information about: the unmet training
needs of the population served;
maintaining and/or improving the
course, job aid, or security event; and/
or the effectiveness of operations that
provide programs and activities
supporting the job performance of
security professionals.

Defense Security Service, Center for
Development of Security Excellence,
management, instructional systems
designers, and instructional, technical
and support staff responsible for the
design and development of security
products and services, will be the users
of the data collected from needs
assessments and evaluations.

Dated: June 6, 2012.
