1. *Waiver of Right to Appear—Disability Hearing—20 CFR 404.913–404.914, 404.916(b)(5), 416.1413–*

416.1414, 416.1416(b)(5)—0960–0534. Claimants for Social Security disability payments or their representatives can use Form SSA–773 to officially waive their right to appear at a disability hearing. The disability hearing officer uses the signed form as a basis for not holding a hearing, and for preparing a written decision on the claimant’s

request for disability payments based solely on the evidence of record. The respondents are claimants for disability payments under title II and title XVI of the Social Security Act (Act), or their representatives, who wish to waive their right to appear at a disability hearing.

Type of Request: Revision of an OMB-approved information collection.

SSA–773	200	1	3	10

2. *Youth Transition Process Demonstration Evaluation Data Collection—0960–0687.*

Background

The purpose of the Youth Transition Demonstration (YTD) project is to help young people with disabilities make the transition from school to work. While participating in the project, youth can continue to work or continue their education because SSA waives certain disability program rules and offers services to youth who are receiving disability benefits or have a high probability of receiving them. We are currently implementing YTD projects in three sites across the country. Three other sites completed service delivery and closed. The evaluation will produce

empirical evidence on the effects of the waivers and project services including (1) educational attainment, (2) employment, (3) earnings, (4) receipt of benefits by youth with disabilities, and (5) Social Security Trust Fund and Federal income tax revenues. Sections 1110 and 234 of the Act authorize this project.

Project Description

Given the importance of estimating YTD effects as accurately as possible, we are evaluating the project using rigorous analytic methods based on randomly assigning youth to a treatment or control group. We conducted several data collections. These included: (1) Baseline interviews with youth and their parents or guardians prior to

random assignment; (2) follow-up interviews at 12 months after random assignment; (3) interviews and roundtable discussions with local program administrators, program supervisors, and service delivery staff; and (4) focus groups of youths, their parents, and service providers. We are currently collecting follow-up interviews at 36 months after random assignment. We began collecting information for YTD in 2007, and we will conclude data collection for the project in 2013. The respondents are youths with disabilities enrolled in the project; their parents or guardians; program staff; and service providers.

Type of Request: Extension of an OMB-approved information collection.

representatives on Form SSA–1695 to (1) process and facilitate direct payment of authorized fees; (2) issue a Form 1099–MISC, if applicable; and (3)

establish a link between each claim for benefits and the data we collect on the SSA–1699 for our appointed representative database. The

disability claimants or recipients and are ERE users.

5. *Request to Pay Civil Monetary Penalty by Installment Agreement—20 CFR 498—0960-0776*. When SSA imposes a civil monetary penalty (CMP) for various fraudulent conduct related to SSA-administrated programs on individuals, those individuals may ask to pay the CMP through an installment

agreement. For SSA to negotiate a monthly payment amount fair to both the individual and the agency, SSA needs financial information from the individual. The agency uses Form SSA-640 to obtain the information necessary to determine a repayment rate for individuals owing a CMP. The

respondents are recipients of Social Security benefits and non-entitled individuals who must repay a CMP to the agency and want to do so using an installment plan.

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2006-24216]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated May 11, 2012, the Sacramento Regional Transit District (SRTD) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 222, Use Of Locomotive

Horns at Public Highway-Rail Grade Crossings; Part 229, Locomotive Safety Standards; and Part 234, Grade Crossing Signal System Safety and State Action Plans. FRA assigned the petition Docket Number FRA-2006-24216.

In a letter dated September 3, 2003, FRA granted SRTD conditional relief from 49 CFR Sections 229.125 and 234.105(c)(3) on SRTD's Blue and Gold Lines. In a letter dated July 28, 2006, FRA granted SRTD conditional relief from 49 CFR Part 222 at 17 shared highway-rail grade crossings. In a letter dated June 22, 2011, FRA extended the existing terms and conditions of SRTD's waivers for an 18-month period. FRA could not conclude that granting relief for a 5-year period was justified because FRA's field investigation revealed SRTD failed to comply with other applicable rail safety regulations.

In a petition dated May 11, 2012, SRTD stated they are not proposing any change of scope in their request for an extension. SRTD affirmed that 49 CFR 229.125 and 234.105(c)(3) would still

apply to all shared highway-rail grade crossings on SRTD's Blue and Gold Lines. SRTD confirmed that 49 CFR part 222 would still apply to the 17 shared highway-rail grade crossings. SRTD explained that their request is consistent with the waiver process for shared use. (See Statement of Agency Policy Concerning Jurisdiction Over the Safety of Railroad Passenger Operations and Waivers Related to Shared Use of the Tracks of the General Railroad System by Light Rail and Conventional Equipment, 65 FR 42529 (July 10, 2000); see also Joint Statement of Agency Policy Concerning Shared Use of the Tracks of the General Railroad System by Conventional Railroads and Light Rail Transit Systems, 65 FR 42626 (July 10, 2000)).

In the petition, SRTD acknowledged noncompliance with 49 CFR part 225, Railroad Accidents/Incidents: Reports Classification, and Investigations; and 49 CFR part 228, Hours of Service of Railroad Employees; Recordkeeping and Reporting; Sleeping Quarters. SRTD
