

by local governments for review of development projects. On the basis of this comparison, the NPS concluded that its fees were not comparable to fees charged by other governmental agencies for similar services.

Accordingly, the NPS proposes to charge fees for reviewing Historic Preservation Certification Applications as set forth in the schedule and instructions appearing below. The proposed fees are projected to be less than the direct costs of the program, but would be at a higher percentage of direct and indirect costs than the 1984 fee structure.

**When will the NPS implement the new fee schedule?**

The NPS intends to implement this proposed schedule, and initiate collection of the fees set forth herein, as soon as practicable following the expiration of a 30-day public comment period following this notice's publication in the **Federal Register** and after the NPS has had the opportunity to fully consider any public comments received. The NPS will publish in the **Federal Register** a notice providing the newly established fee schedule.

**Public Participation**

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Fee Schedule Information**

Fees will be charged for reviewing Historic Preservation Certification Applications in accordance with the schedule appearing below. The NPS will continue to charge part of the overall fee at the time the Part 2—Description of Rehabilitation, describing a proposed rehabilitation, is received by the NPS and the remainder of the fee when the Part 3—Request for Certification of Completed Work is received. However, the Part 2 fee will now be one-half of the overall fee, rather than the current flat fee of \$250. This allocation of the fee will better reflect the true cost to the Government of reviewing Part 2 applications describing proposed rehabilitations, inasmuch as reviewing Part 2 applications and amendments describing proposed rehabilitations consumes much more staff time than reviewing the Part 3

applications for completed work. Additionally, a number of applicants never submit a Part 3 describing completed rehabilitation work. In such cases, the portion of the review fee represented by the balance of the Part 2 work is never recovered by the NPS.

The 1984 fee schedule set fixed fees of \$500, \$800, \$1,500, and \$2,500 for projects of \$20,000 or more, grouped into four project size categories, with \$2,500 being the maximum fee for projects \$1,000,000 and above. In contrast, the new fee schedule sets the fee for projects \$50,000 and above at \$800 plus 0.15% (0.0015) of project costs over \$50,000, with a maximum fee of \$6,500 for projects \$3,850,000 and above. The new schedule thus better reflects that review costs generally increase as projects increase in size. The new schedule charges no fee for projects under \$50,000.

The new fee schedule applies only to new applications received by State Historic Preservation Offices after the effective date of this fee schedule. Part 3 applications describing completed work in previously reviewed Part 2 applications will be charged according to the schedule in effect at the time the Part 2 was reviewed.

**Fee Schedule**

Fees will be charged for reviewing certification applications in accordance with the schedule below. Applicants should make no payment until requested to do so by the NPS. A certification decision will not be issued on an application until the appropriate remittance is received. Fees are nonrefundable.

Application review fees (rounded to the nearest dollar) are based on the applicant's estimated rehabilitation costs (defined as "Qualified Rehabilitation Expenditures" or "QREs," pursuant to section 47 of the Internal Revenue Code).

Cost of rehabilitation	Fee
<b>Current Fee Schedule</b>	
\$0–\$19,999 .....	\$0.
\$20,000–\$99,999 .....	\$500.
\$100,000–\$499,999 ...	\$800.
\$500,000–\$999,999 ...	\$1,500.
\$1,000,000 or more ...	\$2,500.
<b>Proposed Fee Structure</b>	
\$0–\$49,999 .....	\$0.
\$50,000–\$3,849,999 ..	\$800 + 0.15% (0.0015) of rehabilitation costs over \$50,000.
\$3,850,000 or more ...	\$6,500.

1. The application review fee will, upon request by the NPS, be payable one-half upon NPS receipt of a Part 2—Description of Rehabilitation, and one-half upon NPS receipt of a Part 3—Request for Certification of Completed Work.

2. If the estimated rehabilitation costs reported on the Part 3 are lower than those reported on the Part 2 previously submitted, then the Part 3 portion of the application review fee will be based on the costs reported on the Part 3. No refund of the Part 2 fee difference—if any—will be made.

3. If the estimated rehabilitation costs reported on the Part 3 application are higher than those reported on the Part 2 previously submitted, then the Part 3 portion of the fee will be 100% of the review fee less the Part 2 portion of the fee previously paid.

4. If Part 2 and Part 3 applications are received at the same time, the application review fee will be assessed on the estimated rehabilitation costs reported on the Part 3.

5. For a project involving multiple buildings that were functionally related historically pursuant to 36 CFR 67, the application review fee will be based on the estimated rehabilitation costs of the entire project.

6. For a phased project pursuant to 36 CFR 67, the application review fee will be based on the total estimated rehabilitation costs for all phases.

7. Projects requiring submittal of a new Part 2 application will be assessed an application review fee equal to the fee for a new Part 2 application. No refunds or credits toward the new application will be issued for the fees paid for the prior Part 2 application.
