### SUPPLEMENTARY INFORMATION:

*Background.*—The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that certain benefits which constitute subsidies within the meaning of section 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in India and Vietnam of circular welded carbon-quality steel pipe, and that such products are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The Department of Commerce has also made affirmative preliminary determinations with respect to circular welded carbon-quality steel pipe from Oman and the United Arab Emirates being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). Although the Department of Commerce has preliminarily determined that imports of circular welded carbon-quality steel pipe from Oman and the United Arab Emirates are not being and
