

significantly during calendar years 2010 and 2011 after imposition of the SDGE Order.³¹

We have determined that the evidence submitted by the petitioners concerning a surge in imports of the allegedly circumventing merchandise in combination with affidavits that this merchandise is now being used instead of subject merchandise is sufficient for purposes of initiating an anticircumvention inquiry under section 781(d) of the Act and 19 CFR 351.225(j). We will consider and address the information and arguments raised by all parties, including the respondents, in the context of this inquiry.

The Department will not order the suspension of liquidation of entries of any additional merchandise at this time. However, in accordance with 19 CFR 351.225(l)(2), if the Department issues a preliminary affirmative determination, we will then instruct U.S. Customs and Border Protection to suspend liquidation and require a cash deposit of estimated duties on the merchandise.

Following consultation with interested parties, the Department will establish a schedule for questionnaires and comments on the issues. In accordance with section 781(e)(1) of the Act and 19 CFR 351.225(f)(7)(i)(C), we intend to notify the International Trade Commission in the event of an affirmative preliminary determination of circumvention under section 781(d) of the Act. The Department intends to issue its final determinations within 300 days of the date of publication of this initiation.

This notice is published in accordance with sections 781(c) and 781(d) of the Act and 19 CFR 351.225(i) and (j).

Dated: June 18, 2012.

Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People's Republic of China: Preliminary Determination Correction

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* June 25, 2012.

SUMMARY: On May 25, 2012, the Department of Commerce (the "Department") published its notice of preliminary determination in the antidumping duty investigation of crystalline silicon photovoltaic cells, whether or not assembled into modules ("solar cells"), from the People's Republic of China ("PRC"). The Department received comments from Delsolar Co., Ltd. and DelSolar (Wujiang) Ltd. (collectively, "DelSolar") and JinkoSolar International Limited ("Jinko") on May 22 and 25, 2012, respectively, concerning errors that the Department made with respect to the names of these companies in the table in the "Preliminary Determination" section in the solar cells from the PRC preliminary determination notice.

FOR FURTHER INFORMATION CONTACT: Howard Smith, Jeffrey Pedersen, Krishna Hill, or Drew Jackson, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5193, (202) 482-2769, (202) 482-4037, or (202) 482-4406, respectively.

Correction

In the **Federal Register** notice *Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People's Republic of China: Preliminary Determination of Sales at Less Than Fair Value, Postponement of Final Determination and Affirmative Preliminary Determination of Critical Circumstances*, 77 FR 31309 (May 25, 2012), under the section entitled "Preliminary Determination," we incorrectly identified the producer "DelSolar (Wujiang) Ltd." as "Delsolar Co., Ltd." Additionally, the Department incorrectly placed a space between "Jinko" and "Solar" in the exporter name "JinkoSolar International Limited." The exporter-producer combinations involving these

companies should have been listed in the preliminary determination notice as follows:

Exporter	Producer
Delsolar Co., Ltd	DelSolar (Wujiang) Ltd.
JinkoSolar International Limited.	Jinko Solar Co., Ltd.

We will revise the cash deposit instructions that were issued to U.S. Customs and Border Protection for the preliminary determination accordingly. This correction notice is published in accordance with section 777(i) of the Tariff Act of 1930, as amended.

Dated: June 19, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
