

(d) *Keeping records of written program of operational (efficiency) tests and inspections.* Each railroad shall retain one copy of its current operational (efficiency) testing and inspection program required by paragraph (a) of this section and one copy of each subsequent amendment to such program. These records shall be retained at the system headquarters, and, as applicable, at each division headquarters where the operational (efficiency) tests and inspections are conducted, for three calendar years after the end of the calendar year to which they relate. These records shall be made available to representatives of FRA and States participating under part 212 of this chapter for inspection and copying during normal business hours.

(e) *Annual summary of operational (efficiency) tests and inspections.* Before March 1 of each calendar year, each railroad to which this part applies shall retain at the system headquarters of the railroad and, as applicable, at each of its division headquarters, one copy of a written summary of the following with respect to its previous calendar year activities: the number, type, and result of each operational (efficiency) test and inspection, stated according to operating divisions as applicable, that was conducted as required by paragraph (a) of this section. These records shall be retained for three calendar years after the end of the calendar year to which they relate and shall be made available to representatives of FRA and States participating under part 212 of this chapter for inspection and copying during normal business hours.

Issued in Washington, DC, on June 21, 2012.

Joseph C. Szabo,
Administrator.
