RIN 2900–AO03

Autopsies at VA Expense

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending its regulation that governs the performance of autopsies on veterans. This final rule updates outdated cross-references to a statute that previously authorized certain outpatient and ambulatory care,

which included post-hospitalization autopsies, and its implementing regulation. This final rule clarifies that consent for an autopsy is implied if a known surviving spouse or next of kin has either not responded to a VA request for permission or has not inquired as to the decedent for 6 months before the decedent’s death. This final rule modifies the current regulation to make the laws of the jurisdiction in which the autopsy will be performed the controlling laws for purposes of determining who has authority to grant permission for the autopsy. This final rule also clarifies the authorized purposes of a VA autopsy. Lastly, this final rule clarifies that the authority to order an autopsy includes transporting the body at VA’s expense to the place where the autopsy will be performed.

DATES: This final rule is effective July 27, 2012.

SUPPLEMENTARY INFORMATION: Prior to this final rulemaking, 38 CFR 17.170 stated that under certain specified circumstances, “[t]he Director of a [VA] facility is authorized to cause an autopsy to be performed on a veteran who dies outside of a [VA] facility while undergoing post-hospital care under the provisions of 38 U.S.C. 1712 and 38 CFR 17.93.” These cross-references are outdated and incomplete.
