Submission for OMB Review; Comment Request

Extension:

Rule 17a-6, OMB Control No. 3235-0489, SEC File No. 270-433.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 17a-6 (17 CFR 240.17a-6) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) permits national securities exchanges, national securities associations, registered clearing agencies, and the Municipal Securities Rulemaking Board ("MSRB") (collectively, "SROs") to destroy or convert to microfilm or other recording media records maintained under Rule 17a-1, if they have filed a record destruction plan with the Commission and the Commission has declared such plan effective.

There are currently 26 SROs: 15 national securities exchanges, 1 national securities association, the MSRB, and 9 registered clearing agencies. Of the 26 SROs, 2 SRO respondents have filed a record destruction plan with the Commission. The staff calculates that the preparation and filing of a new record destruction plan should take 160 hours. Further, any existing SRO record destruction plans may require revision, over time, in response to, for example, changes in document retention technology, which the Commission estimates will take much less than the 160 hours estimated for a new plan. Thus, the total annual compliance burden is estimated to be 60 hours per year. The approximate cost per hour is \$305, resulting in a total cost of compliance for these respondents of \$18,300 per year (30 hours @ \$305 per hour).

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an email to Shagufta_Ahmed@omb.eop.gov and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or by sending an email to PRA_Mailbox@sec.gov.
